

Prophix for Construction

Build up profits while reducing risk

Prophix's financial performance platform enables contractors to take control of their margins through a suite of job cost solutions, designed to improve analysis and forecast accuracy. Our tools enhance your ability to forecast your cost cash flows over the life of your project, reducing margin fade and increasing bottom-line profits.

Solutions built for construction

- Financial reporting and analysis
- P&L, balance sheet, and cash flow planning
- Workflow for collaborative budgeting & forecasting
- Self-service job cost and WIP reporting
- Personnel and labor reporting/planning
- CapEx and equipment reporting/planning

Why Prophix

30+ years of industry leadership

3000+ customers, 110+ countries

Architected for scale, enterprise grade security

AI-powered platform

“We’ve had a great experience using Prophix’s platform as the fundamental data warehouse to generate P&Ls for our 40+ global locations. With our Prophix solution, we analyze the effect of our project spending, assess customer profitability, and conduct all of our financial consolidation.”

Convergint Technologies

Prophix empowers construction companies with:

Job cost analytics

Analyze your jobs by phase and cost types using ad-hoc analysis

Job cost forecasting

Accurately forecast job costs and revenues with predictive analytics

Working capital management

Lower days sales outstanding with insights into receivables

Collaborative budgets

Foster collaboration with budgeting workflows

One source of the truth

Seamless integration with ERPs, CRMs, and project management systems

Our customers

“Prophix gives you a great ability to use your current financial data and forecast future revenues and expenses. This, by itself, is a great selling point alone. The additional level of data analysis ability pushes it over the edge. If the data is in your ERP and you want to know something about it, Prophix gives you a way to get the answer.”

Gaylor Electric, Inc.

About Prophix®

Prophix® is a global leader in financial performance management, empowering finance teams to lead with clarity, capacity, and confidence. From planning and budgeting to forecasting, reporting, reconciliation, and consolidation, Prophix brings it all together in one intelligent platform.

Prophix One™, the flagship Autonomous Finance Platform, combines AI, automation, and intuitive technology to simplify complex work and elevate finance to a more strategic role. With nearly four decades of innovation and a global footprint serving more than 3,000 customers in 100+ countries, Prophix is the trusted partner for organizations ready to transform finance into the driving force behind business growth.
