

# Be Faster. Look Further. See More.

Software to simplify and automate financial processes

## Account Reconciliation

Accelerate your financial close with streamlined account reconciliations for smarter, faster decision-making.

## Budgeting and Planning

Collaborative, data-driven budgeting and forecasting with greater speed, accuracy, and understanding.

## Financial Consolidation

Remove the complexity of financial consolidation with intelligent, automated data integration, multi-currency translation, sub-consolidation and regulatory reporting (like GAAP, IFRS and ESG).

## Integrated Business Planning

Integrate cross-functional business planning with a collaborative and adaptable experience that drives performance across your organization.

## Intercompany Management

Streamline intercompany reconciliations for a faster, more accurate close and empower entities to reconcile independently.

## Reporting and Analytics

Unify, organize and analyze your data with intuitive reports and personalized dashboards that unlock opportunities and help you understand your data.

# Focus on what really matters

Ambitious finance leaders engage with Prophix to drive progress and do their best work. Leveraging Prophix One, a Financial Performance Platform, to improve the speed and accuracy of decision-making within a harmonized user experience, global finance teams are empowered to step into the next generation of finance with no reservation. Crush complexity, reduce uncertainty, and illuminate data with access to best-in-class automated insights and planning, budgeting, forecasting, reporting, and consolidation functionalities. Prophix is a private company, backed by Hg Capital, a leading investor in software and services businesses. More than 3,000 active customers across the globe rely on Prophix to achieve organizational success. Additional information at [www.prophix.com](http://www.prophix.com).
