

Prophix for Real Estate

Confidently predict cash flows and monitor property performance

Track performance, forecast cash flows, and accurately predict profits on your investments and in-service properties with Prophix for property managers, developers, and asset managers.

Prophix enables finance leaders in real estate to:

Unlock actionable insights on financial performance

Spend less time scrubbing data and more time analyzing it. Give your team a single source of truth for property data, empowering you to report on and analyze your numbers simultaneously.

Plan and manage capital projects with confidence

Whether you're acquiring land, developing a community, or renovating an existing property, planning your assumptions will lay the foundation for a successful venture. Identifying market conditions and risks with Prophix's predictive analytics will ensure you get the highest return on your investment.

Achieve peak financial performance

Prepare yourself for market changes with scenario modeling.

Reduce time to collect with daily updates to receivables & cashflow projections.

Seamless integration with construction, accounting and property management systems.

Our customers

Focus On What Really Matters

Your business is evolving. And the way you plan your business activities and report on them should evolve too. To empower mid-market companies to achieve their goals, Prophix provides an integrated, cloud-based services' platform to the Office of Finance; one that delivers planning, budgeting, reporting, forecasting as well as consolidation and reconciliation solutions. Prophix puts the focus back on what matters most – uncovering business opportunities – to ensure your future, using AI-guided innovation that adapts to meet your strategic realities, today and tomorrow.

Our Solutions

Budgeting & Planning

Budgets are no longer a burden. Improve budgeting accuracy, reduce risk, and leverage automation to increase buy-in.

Reporting & Analytics

With a few clicks, build a dashboard that provides a comprehensive, easy-to-understand view of company performance.

Financial Consolidation & Close

Enhance financial consolidation by adding processes and controls. Prophix automates collection and accuracy.

Workflow & Automation

Automate repetitive processes and build comprehensive workflows to save you time and give you confidence in your reports.

Virtual Financial Analyst

The Virtual Financial Analyst leverages the power of Artificial Intelligence to provide meaningful insights and automation to take the speed and efficiency of Prophix's Corporate Performance Management software to the next level.
