OF THE BLUE RIDGE

“By designing, implementing, and launching the project within Prophix, Mission Health Communities saved over \$200,000 in avoided personnel costs. With Prophix, the company has the business agility to quickly launch new business lines and facilities as back-office friction is reduced”

Gino L'Altrella

Director of Financial Planning
and Business Analytics
Mission Health Communities

Simplify and transform processes in the Office of the CFO

Solutions built for senior living

- Integrated cash flow planning
- Property financials and dashboards
- Revenue planning and scenario analysis by payor mix
- Position cost planning
- Driver-based expense forecasting
- Multi-entity consolidation

With Prophix, you can:

- Reduce errors and risks associated with spreadsheets
- Analyze payor mix allocations and optimize revenue sources
- Catch cost overruns early to manage your budget
- Provide deeper analysis to executives and ownership
- Monitor trends in occupancy and average daily census data
- Decrease days to collect in revenue cycle

About Prophix®

Ambitious finance leaders rely on Prophix® to plan smarter, move faster, and lead with greater control. Prophix One™, a Financial Performance Platform, connects planning, budgeting, forecasting, reporting, reconciliation, and consolidation in one unified experience.

With a complete suite of scalable solutions, AI-powered automation, and data you can trust, Prophix helps teams eliminate manual work, improve accuracy, and deliver insights that drive business results. Backed by nearly 40 years of experience, more than 3,000 active customers partner with Prophix to simplify complexity and stay ready for what's next.
