

Transform the Way You Plan, Budget and Forecast

Prophix for Sage 300 Construction and Real Estate

Automate your core financial processes and transform the way you plan, budget, and forecast with Sage 300 Construction and Real Estate. Deliver greater visibility into the financial health of your business by connecting the field to the office, improving collaboration and project profitability.

Seamless Integration with Sage 300 Construction and Real Estate

As a Sage 300 Construction and Real Estate partner, Prophix offers customers an intuitive interface that connects their Sage ERP, CRM, payroll, and external data sources for a comprehensive view of company performance. Streamline your critical processes without the manual effort of spreadsheets, giving you the financial foresight to have confidence in your strategic decisions.

Purpose-built Solutions

- Financial Reporting and Consolidation
- WIP and Job Cost Analysis
- Annual Budgeting
- Job Cost Forecasting

Sage Tech Partner

Prophix Enables Companies in the Construction Industry to:

- Eliminate errors associated with spreadsheets
- Expedite and reduce the risk associated with financial close, internal audits, and account reconciliations
- Effortlessly compare budget to actuals and view transactional level details
- Save time building reports with a simple, non-technical report writer
- Build multi-dimensional cash flow forecasts spanning companies, projects, and departments

Focus On What Really Matters

Ambitious finance leaders engage with Prophix to drive progress and do their best work. Leveraging Prophix One™, a Financial Performance Platform, to improve the speed and accuracy of decision-making within a harmonized user experience, global finance teams are empowered to step into the next generation of finance with no reservation. Crush complexity, reduce uncertainty, and illuminate data with access to best-in-class automated insights and planning, budgeting, forecasting, reporting, and consolidation functionalities. Prophix is a private company, backed by Hg Capital, a leading investor in software and services businesses. More than 3,000 active customers across the globe rely on Prophix to achieve organizational success. Additional information at www.prophix.com.
