

Insurance Experience that Matters

Prophix easily integrates data from your financial and insurance-specific solutions, giving you a consolidated, real-time view of your performance and allowing you to proactively search for insights to adjust premium rates and reduce payouts to reach your maximum profit potential.

“Budgeting and planning using Prophix received rave reviews at Westfield. It made the process so much easier for everybody. The personnel DPM makes it pretty much seamless. Most people only have to budget for 3-5 other accounts because of everything that we populate.”
