

Healthcare Experience that Matters

Get the flexibility you need to tailor financial statements and reports to get an in-depth look at your overall performance.

Prophix helps healthcare organizations run more smoothly by automating financial processes across planning, budgeting and reporting. We make it easy to quickly produce personnel plans and performance analyses. Free up more time to look for ways to improve clinical programs and to service your clients and patients better.

Customers

“From a budgeting perspective, we record revenue and expenses on a very detailed level, the ability that we can set up alternate assumptions for our projections down to the category level and through lines of services allowed us to save months during our budgeting cycle...”

Brett Scrivener
VP of Finance
