

## Plan, Budget, Forecast, Consolidate with Ease

### Prophix for Sage X3

Prophix empowers finance professionals with innovative software that automates critical financial processes delivering greater visibility into their organisation's financial health, improving profitability and minimising their risks. Thousands of innovative organisations in nearly one hundred countries use Prophix to gain increased visibility and insight into their business performance.

### Seamless Integration with Sage X3

Prophix software is built to integrate easily with a variety of databases, flat files, external data sources, or other formats including direct access to the Sage Enterprise Management system. As a Sage ISV Rockstar Partner, Prophix offers Sage X3 customers a way to streamline critical financial processes using an intuitive interface, this allows users to accelerate their finance functions so more time can be focused on valuable insight into performance. Based on a strong, continually growing customer base, currently topping 100 Sage customers throughout Europe and North America, our certified solution has proven to improve processes, reduce risk, and instill confidence in strategic decisions for future performance.

### Benefits

- Rapid implementation
- Low cost of ownership
- Unified and scalable

# Focus On What Really Matters

Your business is evolving. And the way you plan your business activities and report on them should evolve too. To empower mid-market companies to achieve their goals, Prophix provides an integrated, cloud-based platform to the Office of Finance; one that delivers planning, budgeting, reporting, forecasting and consolidation solutions. With Prophix, finance leaders improve profitability and minimize risk and puts the focus back on what matters most – uncovering business opportunities. Prophix supports your future with AI innovations that adapts to meet your strategic realities, today and tomorrow. Over 2,500 active customers around the globe rely on Prophix to transform the way they work.

## Our Solutions

### Budgeting & Planning

Budgets are no longer a burden. Improve budgeting accuracy, reduce risk, and leverage automation to increase buy-in.

### Reporting & Analytics

With a few clicks, build a dashboard that provides a comprehensive, easy-to-understand view of company performance.

### Financial Consolidation & Close

Enhance financial consolidation by adding processes & controls. Prophix automates collection and accuracy.

### Workflow & Automation

Automate repetitive processes and build comprehensive workflows to save you time and give you confidence in your reports.

### Virtual Financial Analyst

The Virtual Financial Analyst helps you work smarter by automating repetitive tasks and serves up insights more naturally through voice or text. Your Virtual Financial Analyst can accurately detect anomalies and quickly surface risk, giving you greater confidence than ever before.
