

# Prophix Academy Membership

Seeing the solution is often about shifting perspectives. With Prophix, we push you to explore possibilities.

Improve your team's productivity and support company-wide collaboration with the solutions you need most from Prophix Academy's online training and blended learning programs.

The Prophix Academy Membership is an all-inclusive bundle that gives you access to our full course library. With your membership, you will have access to our self-directed online training, live sessions with hands-on practice, knowledge assessments, and more.

The Prophix Academy Membership is a great solution when you need to:

- Refresh your knowledge post-implementation
- Train new staff anywhere at anytime
- Get insight into the latest Prophix capabilities
- Stay up to date on Prophix releases
- Test your knowledge with online assessments

## Online Training

Our online training allows you to access lessons at your own pace, from any internet-enabled device, as many times as you'd like. By completing our online training, you can earn up to 30 CPE credits. Courses include:

- Administrator User (covers Advanced, Standard, and Reporting User)
- Detailed Planning Manager – Personnel
- Designing Dashboards
- Currency Conversion
- Data Integration Services
- Detailed Planning Manager – CapEx
- Template Design
- Journals Manager
- Global Administrator

## Blended Learning

Blended learning courses combine online, asynchronous lessons (readings, videos, and quizzes) with live instructor-led virtual training. Join a live session with an instructor to get hands-on practice, insights into best practices, and answers to any questions you may have. You can earn up to 26 CPE credits with blended learning from Prophix Academy. Courses include:

- Prophix 101
- Building Dashboards
- Building Reports and Entering Data
- Model Management
- User Management

## Training Programs

We designed our training programs to help you create the radical change you need to impact today's realities and tomorrow's opportunities. Available in both online training and blended learning formats, our programs will provide structure to your Prophix education. The Prophix Academy Training Programs are suitable for complete beginners to Prophix experts, and you can earn up to 36 CPE credits. Programs include:

- Administrator Training Program (Blended)
- Administrator Training Program (Online)
- Your Prophix Migration

Prophix is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: [www.learningmarket.org](http://www.learningmarket.org)
