

Manufacturing Experience that Matters

Prophix combines operational planning with financial planning to give you a window into how operating decisions will influence your cash flow.

Keep profitability, revenue, supply, and production in sync with our unified platform.

Customers

“I used Prophix at my previous company, and I was hired at Spacesaver because I had some ideas for making a big impact on the organization. We altered the budget cycle, we got reports to people in better ways, changing the way people look at finance.”

Steve Anderson
Vice President of Finance
Spacesaver Corporation
