# RTV ACCESSORY PACKAGES

RTV-XG RANCHER PACKAGE | RTV-XG NORDIK PACKAGE

A woman wearing sunglasses is driving a yellow Kubota RTV (Recreational Utility Vehicle) on a gravel path. The vehicle has a black roof and large, treaded tires. The background shows a line of trees and a clear sky.

**DOMINATE THE  
GREAT OUTDOORS.**

**ALL THE POWER, UTILITY  
AND COMFORT YOU NEED  
TO GET MORE DONE IN  
THE GREAT OUTDOORS.**

Kubota's RTV Packages are precision-engineered for high-performance outdoor tasks and everyday chores. Each unit is loaded with quality features to keep you capable and comfortable against tough terrain and conditions. Whether it's putting in more work at the farm or challenging the Canadian winter — these UTVs are built to give you a rugged advantage.

# RTV-XG RANCHER PACKAGE

## ALL-AROUND UTILITY FOR THE ALL-TERRAIN WORKHORSE.

Ride through tough terrain, and take on everyday chores with rugged utility. The XG850 is built to be your tough workhorse on the farm, around pasture or in the woods with best-in-class handling, acceleration and cargo.

### Speeds up to 64 kph

Conquer big hills and distant destinations with a powerful 48 HP gas engine.

### Superb Steering

Speed sensitive electronic steering delivers great handling and comfort.

### Outdoor-Ready

Comes with Flip windshield, sport roof, poly rear panel and soft grip handles for comfort. Front guards for extra protection.

### Outdoor Utility

Features a cargo bed extender with Cargo bed rails, and a VRX3500 winch.

### RANCHER PACKAGE INCLUDES

## CHALLENGE THE CANADIAN SEASONS WITH POWER, PERFORMANCE, AND ALL-WEATHER COMFORT.

The Kubota RTV-XG850 Nordik package is crafted for cold-weather utility. Decked out with a complete cab to shield you from the elements and climate control for added comfort. Tested to keep you going in winter conditions — because we know the work must go on even if the snow won't stop.

### Quality and Convenience

Twin sheet vacuum formed black plastic roof for warmth with plug & play connections for accessories such as a radio and more.

### Climate Comforts

Loaded with a proper heater for defrosting and venting to keep riders warm and visibility high in cold temperatures.

### Rugged Durability

Built with quality materials to outlast the seasons ahead.

### Winter-ready Utility

Comes with a rear bumper for added protection and a warn winch to ensure this UTV can keep working and not get stuck in tough terrain or conditions.

### NORDIK PACKAGE INCLUDES

- RTV-XG850 Accessory Harness
- Switch Panel Box
- Premium Roof w/ Electrical Harness
- Glass Windshield
- Wiper Kit
- Windshield Washer Kit
