RESIDENTIAL EQUIPMENT

Keep working at your best with **Kubota Orange Plus.**

Buying a new Kubota means you've made a commitment to getting the job done right. We're just as committed to ensuring that your Kubota equipment stays in optimal condition, year-in and year-out. That's why Kubota Orange Plus offers tailored solutions including financing, maintenance and warranty options for added peace of mind.

Kubota Orange Maintenance ensures you receive high-quality maintenance in accordance with Kubota's technical specifications with factory trained technicians to help maximize reliability and minimize downtime.

Kubota's Orange Protection Plan is additional warranty that a customer can purchase in addition to the standard warranty that is included with your Kubota purchase. The standard warranty covers your unit for one to six years, depending on the model.

Kubota's Lease and Finance options can be tailored to meet your financial requirements. When coupled with Orange Maintenance Plan and Orange Protection Plan, this not only ensures your Kubota equipment is kept in peak condition to offer better reliability, but it also provides enhanced value and fixed operating costs.

Overall, **Kubota Orange Plus** offers great value and helps protect against rising costs and inflation to help manage your overall operating costs while maximizing your output, allowing you to focus on what you do best – being productive.

Orange Maintenance. No time for downtime.

Kubota Orange Maintenance puts your equipment in a prime position to help keep you working for the long haul. Regular scheduled maintenance by trained technicians is designed to ensure that issues are spotted early, enhancing equipment reliability, and maximizing uptime when it matters most.

Trust the experts.

No one knows your Kubota like our trained technicians, and nothing fits better than genuine Kubota parts. Combined, they're expertly trained to keep your equipment running for years to come. Why trust such important work to anyone else?

Keep costs down and productivity up.

Get a maintenance package that suits your budget and your needs. The result? Reduced operating costs while ensuring that your equipment is working at its best, all year round.

What you need, when you want it.

Your work doesn't need to stop for our maintenance schedule. With Kubota Orange Maintenance, you get total flexibility: our residential plans allow for an annual service to be performed for 3 years at your convenience. If you're putting in some serious hours on your machine, you have the option to use 3 prepaid services sooner; you can also choose to defer them.*

Cut with confidence.

Flexibility: the Kubota Orange Maintenance plans for the Z200 and Z400 models provide annual maintenance for 3 years, or up to machine 300 hours (whichever comes first).

Orange Maintenance Z200 & Z400 Annual Plan Schedule

Available for Z232KW, Z242KW, Z252KW, Z242KH, Z252KH, Z411KW-3, Z412KW, Z421KW-3, Z422KW models.

	Item		Service Schedule

This promotional maintenance package will cover all standard maintenance services for the first 4 years or 3,500 hours (whichever comes first) of the tractor's operation, subject to the following: (1) this package includes but is not limited to, filters, fluids, and regular maintenance items as outlined in the maintenance plan documentation provided with the tractor; (2) the customer will be responsible for contacting their dealer for the initial 50 hour service and every 500-hour interval of the tractor's service life during this period to book a scheduled maintenance visit; and (3) the customer will be responsible for performing daily checks, regular visual inspections, and general monitoring of the tractor as outlined in the maintenance section of the tractor operator's manual. Costs associated with labour and transport to and from the dealership are not included in this maintenance package.
