Gale Presents: GetSetUp

As your community ages, your library plays a vital role in supporting lifelong learning, digital literacy, and social connection for older adults. Help seniors build digital confidence, improve health and wellness, explore hobbies, and connect with peers—through hundreds of live sessions and on-demand content led by instructors 55+.

Gale Presents: GetSetUp is a turnkey online learning platform for adults aged 55+, offering a vibrant, peer-led environment where patrons can explore new interests, build confidence with technology, and stay socially engaged.

This dynamic platform, designed specifically for aging adults, includes:

- ✓ Rotating catalog of 5,000 live and on-demand classes, short videos, and articles
- ✓ Classes led by peers for a relatable, welcoming experience
- ✓ Flexible learning with live interactive sessions or self-paced options—at home or in the library—on any device
- ✓ Topics ranging from fitness, creative arts, tech use, travel, lifestyle, history, culture, Medicare, nutrition, and more
- ✓ Classes available in English, Spanish, Mandarin, and Hindi, with a built-in digital assistant to guide users

Ready-Made Programming

Easily fill your calendar with engaging, ready-to-go events tailored for adults 55+. From wellness series and technology workshops to an arts & crafts circle, libraries can schedule classes directly into programming lineups—without the heavy lift of creating content from scratch.
