

Dream Big for Less

Explore the Small Library Support Program

Small libraries make big impacts in their communities—often with limited budgets. Get support to meet diverse patron needs with trusted, affordable digital solutions.

The Small Library Support Program helps libraries like yours provide access to essential, high-quality resources with discounted pricing based on the size of your population served. Explore carefully curated bundles of Gale's most used and most loved resources designed to fit the needs of small libraries. See how you can empower patrons of all ages with the Essential Solutions Package and guide aspiring entrepreneurs and small business owners with the Business Success Package.

WHY PARTNER WITH GALE?

Get premium digital resources at small-community prices along with a partner dedicated to your success. Your customer success manager is here to equip you with everything you need to create a lasting impact in your community.

- **Training:** Boost usage and expertise with live and on-demand training webinars, video tutorials, resource guides, and more.
- **Marketing:** Take advantage of ready-made materials to promote your resources and connect with your community.
- **Technical Help:** Simplify access, improve discovery, and track your impact with tools like MARC records, Gale Pages, and usage reports.

GET TOP DIGITAL TOOLS FOR SMALL-LIBRARY PRICES

From preparing children for kindergarten to researching how to start a business, guide patrons to accomplish their goals with accessible digital solutions. With curated resource packages available through Gale's Small Library Support Program, you can put valuable tools into the hands of your patrons while staying within your budget. Select resources from either package to create the best mix for your library.
