Joe Biden

NEW YORK TIMES BESTSELLING AUTHOR

In his candid and revealing memoir, Joe Biden reflects on his time as president: the challenges, triumphs, sorrows, and accomplishments that marked his administration amid one of the most tumultuous eras in American history. He shares first-person accounts of standing steadfast against authoritarian aggression, modernizing NATO, and leading the global coalition to defend Ukraine in its darkest hours. And for the first time, he reveals the deeply agonizing calculation behind his decision in the summer of 2024 to step aside from the presidential race and to put his party and the nation before his personal ambitions. Moving, historic, and filled with the unyielding optimism that has defined Joe Biden's fifty years of public service, *Promise Me, America* is a powerful testament to resilience, to the power of personal relationships in service of political progress, and to a leader who put country above all else.

HAVE COURAGE: LONGMIRE STORIES
A Longmire Mystery Series
Craig Johnson

NEW YORK TIMES BESTSELLING AUTHOR

Walt Longmire, sheriff of Absaroka County, investigates a series of eccentric small-town crises in fifteen holiday-inspired stories. An old dog mysteriously escapes the animal shelter night after night. A deputy deploys an unexpected diversion during a hostage standoff. The baby Jesus vanishes from a nativity scene. And Walt faces one of his most challenging assignments yet: caring for a 150-year-old sourdough starter, while apprehending a seven-year-old suspect with the diction of a 1930s gumshoe.

THE TURNING TIDE
A NOVEL OF LOVE AND WAR

James Stavridis

NEW YORK TIMES BESTSELLING AUTHOR

Scott Bradley James, like the US Navy in which he serves, is uncertain of the course he sails, both in war and love. While the threat of defeat that loomed over the first half of America's war against Japan is behind him, much danger lies ahead. Disastrous mistakes can still be made — and they will be. For James and his comrades, their cost will be high indeed — both at sea against a fanatic foe, and on the home front in relations of the heart.

MY BOOK OF DAYS: A MEMOIR IN MOMENTS

Eric Dane

In 2006, Eric Dane guest starred on *Grey's Anatomy* as Dr. Mark "McSteamy" Sloan. What was intended to be a one-time guest appearance, landed him a regular role on the show and would launch his acting career. Years later, Dane experienced another life-changing moment: being diagnosed with ALS. The sudden diagnosis caused him to slow down and reflect on the moments that had shaped him. In *My Book of Days*, Dane reflects on the joy, the pain, the lessons, and the grace found in simply being present. Poignant, vulnerable and deeply human, *My Book of Days* is a profound meditation on the passing of time and what matters most when you're looking at life through the lens of a terminal illness.

DAPHNE & ME

Jane Leeves, Isabella Kathryn Coben

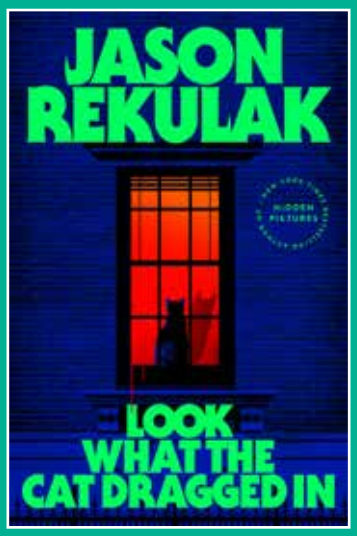

Over the course of more than a decade, Jane Leeves, a former ballerina from England, saw her life turn on its head as she made a family on and off the set of *Frasier* — a show that would make her career. As the character Daphne Moon, she acted as a perfect, down-to-earth foil to pompous Frasier and his equally pretentious brother, Niles. As Daphne and Niles were falling head-over-heels for each other in one of television's great romances, Jane was finding her own true love on the Paramount lot. Now in *Daphne & Me* she recounts the most monumental years of her life, sharing the hilarious and moving stories she's collected over the years, and revisiting remarkable moments behind the scenes of the iconic show we all know and love.
