- And More

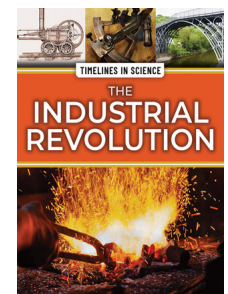

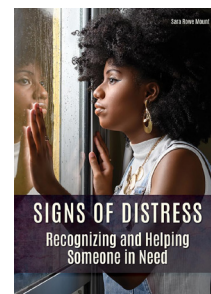

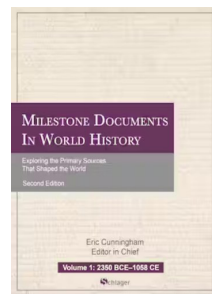

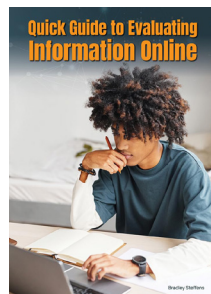

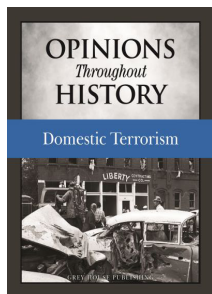

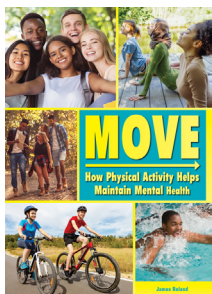

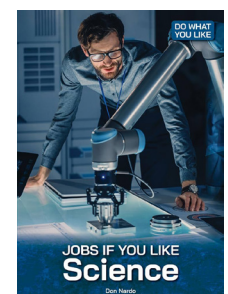

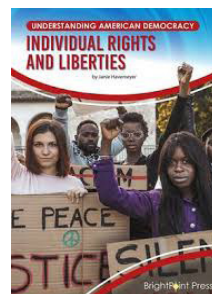

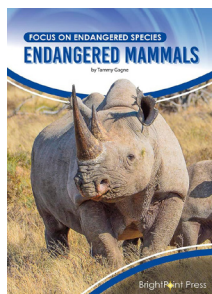

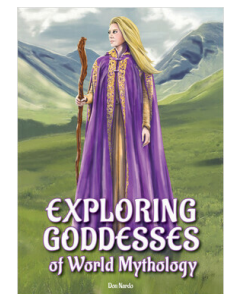

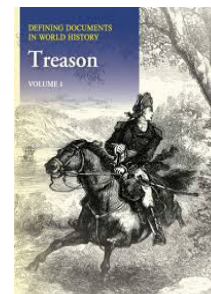

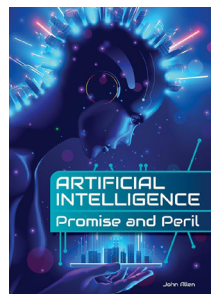

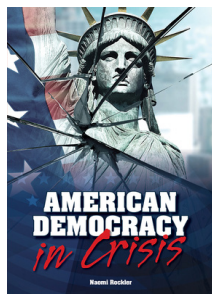

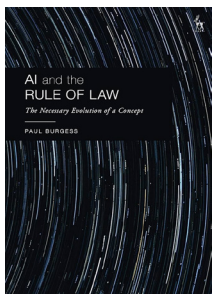

The eBook covers displayed represent a sample of the collection and do not reflect the full list of available titles.

Middle and high school years are a critical developmental span for students, marked by significant—and rapid—changes in physical, cognitive, social, and emotional needs. Gale’s Cross-Curricular Collections provide trusted, high-quality, age-appropriate content from top-tier publishers to support core subjects and cross-disciplinary learning. Aligned to standards and designed to meet students where they are, these collections help educators reinforce instruction while building essential future-ready skills—like critical thinking, collaboration, and digital literacy.

Explore the newest and most anticipated eBook titles covering core subjects and aligned to popular research project topics.

**Cross-Curricular High School Collection** aligned to research project topics such as:

- Mental Health and Psychology
- AI and Future Technology
- Debatable Issues
- Body Systems
- Career Exploration
- And More

# BUILD SKILLS FOR THE FUTURE

*Gale eBooks: Student Collections* supports lifelong learning by empowering students with future-ready skills like creative thinking, digital literacy, and AI proficiency. Designed to cross-search all your Gale titles at the chapter level to pinpoint relevant content, *Gale eBooks* helps students spend less time searching for credible information and more time making new discoveries. With an award-winning, intuitive platform experience—*Gale eBooks* can be accessed anytime, anywhere, and on any device.

## ACCESSIBLE FOR ALL LEARNERS

### WORKFLOW TOOLS

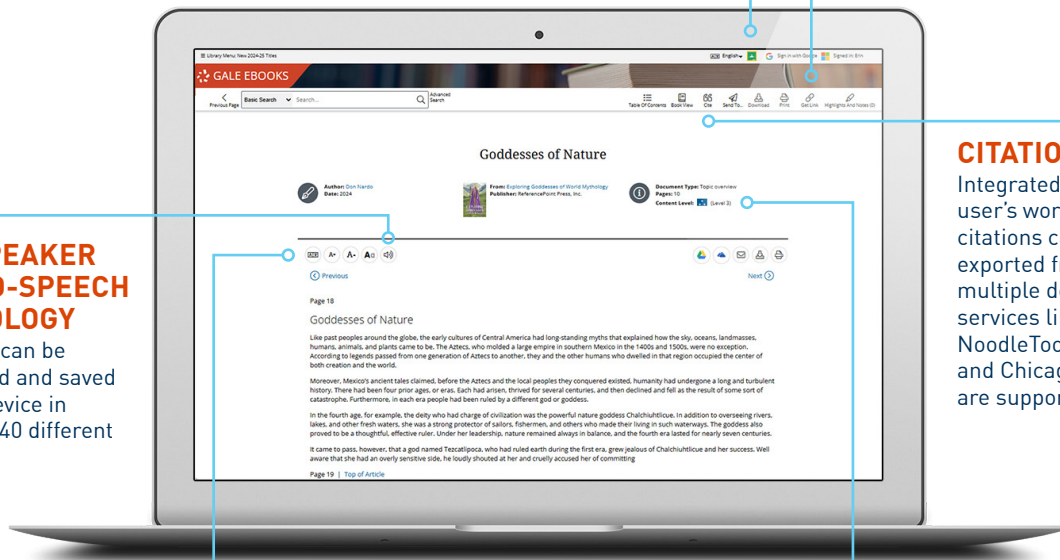

Expand access and increase discovery by integrating Gale resources into your learning management system. Add to that the power of **Google Workspace for Education** and **Microsoft 365** tools, which enable users to easily share, save, and download content—including highlights and notes.

### SHAREABLE LINKS

Persistent URLs allow educators to incorporate materials into the students' workflow. They can be used in learning management systems or in curriculum planning to guide students to supplemental course materials.

### READSPEAKER TEXT-TO-SPEECH TECHNOLOGY

Audio files can be downloaded and saved onto any device in more than 40 different languages.

Product screen capture as of April 2025. Actual interface may vary.

### CITATION TOOLS

Integrated directly into the user's workflow, formatted citations can be easily exported from single or multiple documents to services like EasyBib or NoodleTools. MLA, APA, and Chicago style citations are supported.

### ARTICLE AND INTERFACE-LEVEL TRANSLATIONS

On-screen text can be translated into more than 20 languages.

### CONTENT-LEVEL INDICATORS

Ensure students can access the right level of content.

## ADDITIONAL FEATURES

**Resources for instruction** – Select Gale published titles now include curriculum mapping, printable worksheets, instructional guides, lists of further resources, and more.

**Customizable collections** – Allow Gale administrative users to organize titles within their collection and create custom title groupings.

**Optimized search results** – Make content easy to find via detailed indexing, discovery services, MARC records, and more.

**Varied article formats** – Enable web reading with HTML or a cover-to-cover book view.

**Topic Finder** – Explore a visual representation of search terms to help younger researchers find what they're looking for quickly and easily.
