Years before homeschooling would become a nationwide movement, Stefan vanished into that unseen space. When he reentered the public school system as a freshman, he was in for a jarring awakening. *Homeschooled* is an inspiring story of a son's battle for a life of his own choosing and the wages of a mother's insatiable love.

THE MOTHER-DAUGHTER BOOK CLUB
A NOVEL
Susan Patterson, James Patterson

NEW YORK TIMES BESTSELLING AUTHORS

on their nightstands via 2 a.m. texts than in-person meetings. So it's an emotional reunion when they finally gather again, this time on the shores of Italy's Lake Como. Sightseeing excursions, reminiscing fueled by "Como-politans," and a hint of vacation romance all build toward the book club's trademark "Night of Secrets." These friends, and sometime rivals, are close readers — of novels, memoirs, and of each other. But as the years and the distance cast shadows and doubt, sympathies turn into surprising revelations.
