

2026 ASCO[®]
ANNUAL MEETING

THE PLACE
TO BE
TOGETHER

PROGRAM ANNOUNCEMENT

May 29–June 2, 2026

McCormick Place | Chicago, IL & Online

asco.org/amregister | #ASCO26

HOTEL RESERVATION AND EARLY REGISTRATION DEADLINE
APRIL 22, 2026, AT 11:59 PM (ET)

#ASCO26 IS THE

Dear Colleague,

The 2026 ASCO Annual Meeting is the place to be for everyone dedicated to advancing cancer care. It's where oncology professionals from around the world come together to discover the latest scientific findings, connect with peers and global thought-leaders, and gain clinical insights shaping cancer care. Trust me, you don't want to miss it.

Having attended every ASCO Annual Meeting for more than 25 years, I can tell you firsthand that there's nothing quite like the energy and collaboration that fill these days. Each year, I leave inspired by why we do this work, having reconnected with colleagues and ideas that push our field forward.

This year's program will feature more than 200 sessions complementing my presidential theme, ***The Science and Practice of Translation: Improving Cancer Outcomes Worldwide***, which emphasizes moving breakthroughs from the lab to the clinic and from the clinic to communities worldwide. By coming together, we can leverage our distinct expertise to translate knowledge into impact and improve outcomes for patients everywhere.

WITH A TRADITION OF INSPIRING AND ADVANCING
PROMISES TO DELIVER AN EXPERIENCE THAT CAN

PLACE TO BE

Be informed.

You can count on interactive, high-impact sessions showcasing the latest discoveries and treatment innovations across every area of oncology. From groundbreaking clinical trials to practical educational takeaways, the research advances presented at our annual meetings continually shape the future of oncology.

Be connected.

The ASCO Annual Meeting is the premier event that brings our community together to exchange ideas and build relationships that last long after the meeting ends. This year there will be a wide range of venues designed for connecting and networking.

Be inspired.

Attending means you are part of a global movement to transform cancer care. Together we can do more than share progress—we can drive it. Your participation isn't just an investment in your professional development; it's a role in something much bigger—conquering cancer.

Be there. Register for #ASCO26 today and secure your place among the best scientific and clinical minds in oncology.

I look forward to seeing you in Chicago!

Eric J. Small, MD, FASCO
2025–2026 ASCO President

THE ONCOLOGY FIELD, THIS MUST-ATTEND EVENT NOT BE FOUND ANYWHERE ELSE. **REGISTER TODAY.**

THE PLACE TO BE

Whether you're an early-career professional or a seasoned expert, fuel your curiosity with novel science and expand your knowledge with innovative education at #ASCO26.

Explore the 2026 Program:

- Plenary Session, featuring presentation and discussion of the top clinical abstracts of the year
- Special Clinical Science Symposia with presentation and discussion of key abstracts
- **23** Oral Abstract Sessions, **25** Rapid Oral Abstract Sessions, and **13** Clinical Science Symposia, featuring over **450** oral abstract presentations
- More than **100** sessions planned by the ASCO Education Program Committee
- **14** Case-Based Panels, featuring interactive clinical case discussions and audience polling
- Over **2,700** poster presentations, including Trials in Progress
- Joint Sessions with American Association for Cancer Research (AACR), American Society of Preventive Oncology (ASPO), and European Cancer Organisation (ECO)
- **3** Highlights of the Day Sessions

Sessions Highlighting Hot Topics and Global Issues:

- State of the Art: Immunotherapy, Targeted Therapy, or Both?
- Tech That Scales: Artificial Intelligence and Digital Tools for Cancer Care in Low- and Middle-Income Countries and Counties Updated Guidance on DPYD Testing to Prevent Severe and Fatal Toxicity From Fluoropyrimidine Chemotherapy
- State-of-the-Art Updates for Incorporating Precision Medicine Approaches Into Every Stage of Lung Cancer
- Integrating Systemic Therapy in Early- and Intermediate-Stage Hepatocellular Carcinoma
- Triple-Negative Breast Cancer in 2026: Translating New Data Into Clinical Decisions
- Value, Access, and Quality Care: Can We Have It All?
- Advancing Antibody-Drug Conjugates: From Bispecific Innovation to First-Line Therapy
- Biomarker Treatment Strategies for Bladder Cancer: Putting the Patient at the Center
- Let's Debate: Upfront Surgery Versus Neoadjuvant Chemotherapy in Advanced Ovarian Cancer
- State of the Art: Emerging Treatments and Novel Modalities in Head and Neck Cancers
- Advancing Immune Checkpoint Inhibitor Therapy in High-Risk Populations
- New Drugs in Oncology: Incorporation Into Practice

INSPIRED

“We are living in truly historic times with rapidly advancing technologies, and the Annual Meeting is your essential opportunity to discover novel research and hear practice-changing study results. Attendees can learn, engage, and form lasting partnerships while gaining high-impact clinical updates. Join us in driving progress and shaping the future of cancer care together.”

– **Jo Chien, MD**

Chair, 2026 ASCO Annual Meeting Scientific Program Committee

“This is the definitive forum integrating innovative science with actionable clinical care. Featuring deep dives into AI and novel therapies, #ASCO26 addresses global challenges—from the workforce crisis and early-onset cancers to systemic barriers in resource-constrained settings. It remains the essential venue for the oncology community to drive translational science, ensuring progress reaches every patient globally.”

– **Erika Ruiz-Garcia, MD, FASCO**

Chair, 2026 ASCO Annual Meeting Education Program Committee

THE PLACE TO BE

Experience the true power of connection. Go beyond networking to forge meaningful relationships, collaborate with a shared purpose, and build a strong sense of community.

- The **ASCO Garden** offers a relaxing retreat on the D2 terrace. Enjoy fresh air, Lake Michigan views, and a variety of food, beverages, and live music. Wine and beer will be sold in the afternoon, Friday–Monday.
- Visit the **Trainee and Early Career Lounge** in Hall C, an extensive space for networking and relaxation. Learn from experts, meet with mentors and potential employers, or just unwind with colleagues. The lounge provides ample seating for collaboration or quiet work, along with complimentary breakfast, snacks, and beverages. Don't forget to review the specific lounge programming schedule at am.asco.org.
- The **Women's Networking Center (Open to All)** provides a comfortable, curated environment to connect, collaborate, and converse. Use this space to network with peers, watch programming, or sign up for an individual mentoring session.
- Step into our bustling **Exhibit Hall** to engage directly with representatives from leading pharmaceutical companies, scientific publishers, and advocacy groups. While you're there, be sure to check out the Posters, catch a session at the Industry Expert Theater, and discover what's next in the Innovation Zone.
- Explore **Communities of Practice**—our special interest groups—that provide a dedicated forum for oncology professionals to collaborate on new ideas, share expertise, and build a strong community. Learn more at myconnection.asco.org.
- Stop by the **Patient Advocate Lounge** to view patient education materials and attend dedicated programming.

CONNECTED

- The **Wellness Space** is a peaceful retreat built to help you take a break, relax, and recharge. Enjoy seated massages and a selection of relaxing tools to help you feel comfortable in this calming environment.
- Head to the **ASCO Career Fair** in Hall C to take control of your professional future. This is your chance to meet face-to-face with recruiters and actively chart your next career course. See participating vendors at am.asco.org.
- Make use of **FREE professional headshots!** ASCO will once again be offering this service by a team of professional photographers. Swing by Hall B1.
- **JCO Central** (Open to All) offers programming with valued authors, editorial board members, and reviewers. Poster walks will be led by JCO Journals authors and will meet outside JCO Central at dedicated times. It's also the perfect place to relax, enjoy a coffee break, and learn more about ASCO's entire suite of publications.
- The **Medical Student and Resident Abstract Forum** is dedicated to nurturing the next generation of oncology leaders. Explore the innovative research being conducted by physicians-in-training from around the globe.
- Stop by the **ASCO Booth** for an experience that helps you network with other attendees and navigate the meeting. Plus, find immediate stress relief and joy with our beloved therapy dogs, available for some comforting cuddles!
- **ASCO Central** is the primary resource hub for members and future members. Here, you can join or renew your membership and get answers to all your ASCO questions, including technical support and opportunities for involvement. While you're here, browse and purchase official ASCO merchandise.

PRELIMINARY PROGRAM

Discover how the latest breakthroughs are improving patient lives worldwide. The program directly complements Dr. Eric Small's Presidential theme, *The Science and Practice of Translation: Improving Cancer Outcomes Worldwide*.

SESSIONS AT A GLANCE

Friday, May 29

CSS = Clinical Science Symposium **ED** = Education Session **ORAL** = Oral Abstract Session

Schedule as of Feb. 12, 2026. For the most up-to-date session schedule: Download/use the **ASCO Meetings mobile app** or visit asco.org/am-program.

All times are in Central Time (CT). • Sessions are listed under primary track only.

Sessions by Primary Track	1:00 PM	2:00 PM	3:00 PM	4:00 PM	5:00 PM
Special Sessions	▶ LIVE ED : ASCO Voices S100a			WORKSHOP : Communication in Late-Stage Cancer: Discussing Prognosis and Matching Care to Patients' Goals Workshop (Limited Attendance; First-Come, First-Served) S501abc	
Breast Cancer	▶ LIVE ED : Complex Scenarios in Metastatic Breast Cancer Hall D1				
Care Delivery and Quality Care	ED : Cancer Care in Times of Crisis and in Immigrant and Displaced Populations E450b		RAPID ORAL : Care Delivery/Models of Care E350		ED : Updated Guidance on DPYD Testing to Prevent Severe and Fatal Toxicity From Fluoropyrimidine Chemotherapy E450a
Central Nervous System Tumors					
Developmental Therapeutics—Immunotherapy	▶ LIVE ED : State of the Art: Immunotherapy, Targeted Therapy, or Both? Arie Crown Theater				
Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology			▶ LIVE ED : New Drugs in Oncology: Incorporation Into Practice Hall D1		ED : Driving Innovation in the Radiopharmaceutical Therapy Landscape to Improve Effectiveness, Access, and Reduce Risks E450b
Gastrointestinal Cancer—Colorectal and Anal					
Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary					▶ LIVE CASE-BASED PANEL : Optimal Multidisciplinary Care for Patients With Nonmetastatic Pancreatic Cancer Hall D1
Genitourinary Cancer—Kidney and Bladder			▶ LIVE ORAL : Genitourinary Cancer—Kidney and Bladder Arie Crown Theater		
Genitourinary Cancer—Prostate, Testicular, and Penile					
Gynecologic Cancer			▶ LIVE ORAL : Gynecologic Cancer S100bc		
Head and Neck Cancer					
Hematologic Malignancies	RAPID ORAL : Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia E450a		▶ LIVE ORAL : Hematologic Malignancies—Plasma Cell Dyscrasia S100a		
Lung Cancer	▶ LIVE ORAL : Lung Cancer—Non-Small Cell Metastatic Hall D2			▶ LIVE ED : State-of-the-Art Updates for Incorporating Precision Medicine Approaches Into Every Stage of Lung Cancer Hall D2	
Medical Education and Professional Development	WORKSHOP : JCO Workshop: The Ins and Outs of Medical Publishing—From Preparing Your Manuscript To Peer Review (Limited Attendance; First-Come, First-Served) S103		RAPID ORAL : Medical Education and Professional Development E450b		
Melanoma/Skin Cancers					
Pediatric Oncology	ED : Detection and Implications of Novel Biomarkers in Pediatric Solid Tumors S504		CASE-BASED PANEL : A Multidisciplinary Case-Based Approach to Non-Rhabdomyosarcoma Soft Tissue Sarcoma in Adolescent and Young Adults: Challenges and Emerging Strategies S504		RAPID ORAL : Pediatric Oncology I S504
Prevention, Risk Reduction, and Genetics	WORKSHOP : Genomics 101 for Oncologists Workshop (Limited Attendance; First-Come, First-Served) S501abc				
Quality Care/Health Services Research					
Sarcoma					
Symptom Science and Palliative Care	ED : Translating Innovation Into Practice: Dissemination of Immune Checkpoint Inhibitors and Their Toxicity Management Across the Globe E350				AWARD : Translating Symptom Science to Improve Cancer Outcomes E350

Saturday, May 30 **CSS** = Clinical Science Symposium **ED** = Education Session **ORAL** = Oral Abstract Session

All times are in Central Time (CT). • Sessions are listed under primary track only.

Sessions by Primary Track	7:30 AM	8:00 AM	9:00 AM	10:00 AM	11:00 AM
Special Sessions		▶ LIVE CSS: Special Clinical Science Symposium I <i>Hall D1</i>		▶ LIVE Opening Session <i>Hall B1</i>	
Breast Cancer		ED: Optimizing Breast Cancer Survivorship: Addressing Lifestyle, Weight Management, and Psychological Health <i>S102</i>			
Care Delivery and Quality Care			POSTERS: Care Delivery/Models of Care <i>Hall A – Posters and Exhibits</i>		
Central Nervous System Tumors					
Developmental Therapeutics—Immunotherapy		RAPID ORAL: Developmental Therapeutics—Immunotherapy <i>E451</i>			
Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology					
Gastrointestinal Cancer—Colorectal and Anal		▶ LIVE CASE-BASED PANEL: Oligometastatic Colorectal Cancer: Treating Pulmonary and Nodal Metastases <i>S100a</i>		POSTERS: Gastrointestinal Cancer—Colorectal and Anal <i>Hall A – Posters and Exhibits</i>	
Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary				POSTERS: Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary <i>Hall A – Posters and Exhibits</i>	
Genitourinary Cancer—Kidney and Bladder		▶ LIVE CSS: Genitourinary Cancer—Kidney and Bladder <i>Hall D2</i>			
Genitourinary Cancer—Prostate, Testicular, and Penile					
Gynecologic Cancer		RAPID ORAL: Gynecologic Cancer <i>E450a</i>			
Head and Neck Cancer					
Hematologic Malignancies		CASE-BASED PANEL: From Myelodysplastic Syndrome to Acute Myeloid Leukemia: Treatment-Related Myeloid Neoplasm Diagnosis and Therapeutic Strategies <i>E450b</i>			
Lung Cancer		▶ LIVE CSS: Lung Cancer <i>Arie Crown Theater</i>			
Medical Education and Professional Development	ED: Oncology Division Chiefs and Department Chairs' Breakfast <i>S501abc</i>				
Melanoma/Skin Cancers					
Pediatric Oncology		RAPID ORAL: Pediatric Oncology II <i>S504</i>			
Prevention, Risk Reduction, and Genetics					
Quality Care/Health Services Research					
Sarcoma					
Symptom Science and Palliative Care		ED: From Novel Agents to Novel Adverse Events: Getting Comfortable With Toxicity Profiles of Emerging Systemic Anticancer Therapy <i>S403</i>			

12:00 PM	1:00 PM	2:00 PM	3:00 PM	4:00 PM	5:00 PM
		▶ LIVE ED: ASCO/AACR Joint Session - The KRAS Journey: Perseverance Pays Off <i>S100bc</i>			
		▶ LIVE ORAL: Breast Cancer—Local/Regional/Adjuvant <i>Hall B1</i>			▶ LIVE ED: Triple-Negative Breast Cancer in 2026: Translating New Data Into Clinical Decisions <i>Hall B1</i>
		CSS: Global Models of Care <i>E350</i>	AWARD: Geriatric Oncology: The Coming of Age of a Specialty—Its Distinct Principles, Practice, and Science in a Global Context <i>E450a</i>		ED: Value, Access, and Quality Care: Can We Have It All? <i>E350</i>
			▶ LIVE ORAL: Central Nervous System Tumors <i>S100a</i>		
		POSTERS: Developmental Therapeutics—Immunotherapy <i>Hall A – Posters and Exhibits</i>			
		POSTERS: Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology <i>Hall A – Posters and Exhibits</i>			▶ LIVE ED: Advancing Antibody-Drug Conjugates: From Bispecific Innovation to First-Line Therapy <i>Hall D2</i>
		ED: Integrating Systemic Therapy in Early- and Intermediate-Stage Hepatocellular Carcinoma <i>E451</i>	ED: Promising New Platforms and Targets in the Management of Gastroesophageal Cancers <i>E451</i>		
		▶ LIVE ED: State of the Art: Advances in Perioperative Management in Bladder and Kidney Cancers <i>Hall D1</i>			
			▶ LIVE ORAL: Genitourinary Cancer—Prostate, Testicular, and Penile <i>Hall D1</i>		
					ED: Unique Considerations in Rare Gynecologic Tumors: Gestational Trophoblastic Neoplasia, Germ Cell Tumors, and Clear Cell Ovarian Cancers <i>S504</i>
		POSTERS: Head and Neck Cancer <i>Hall A – Posters and Exhibits</i>			
		RAPID ORAL: Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allograft <i>E450a</i>	▶ LIVE ORAL: Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia <i>Arie Crown Theater</i>		
		▶ LIVE RAPID ORAL: Lung Cancer—Non-Small Cell Metastatic <i>Hall D2</i>	▶ LIVE CASE-BASED PANEL: One Patient, Many Pathways: Management Options in ALK-Positive Non-Small Cell Lung Cancer From Early Stage to Advanced Disease <i>Hall D2</i>		ED: Lung Cancer Screening and Prevention: Beyond Conventional Strategies in a Rapidly Changing Global Milieu <i>E450b</i>
		ED: Leadership Rx: Prescriptions for Effective Teams <i>S504</i>			ED: The Best of <i>JCO Global Oncology</i> : Improving Affordability in Cancer Care for Resource-Limited Settings <i>S403</i>
		CASE-BASED PANEL: Management of High-Risk Stage II Melanoma and Beyond: A Case-Based Multidisciplinary Discussion <i>E450b</i>	ED: Beyond Routine Surveillance Imaging: Emerging Technologies for the Early Detection of Melanoma Recurrence <i>E450b</i>		RAPID ORAL: Melanoma/Skin Cancers <i>E451</i>
			ED: Measurable Residual Disease in Pediatric Hematologic Malignancies: Current and Emerging Technologies <i>S504</i>		
			RAPID ORAL: Quality Care/Health Services Research <i>E350</i>		
		ED: Unique Challenges in Sarcoma Care for Adolescents and Young Adults <i>S102</i>	▶ LIVE ORAL: Sarcoma <i>S100bc</i>		
		POSTERS: Symptom Science and Palliative Care <i>Hall A – Posters and Exhibits</i>			

Sunday, May 31

CSS = Clinical Science Symposium ED = Education Session ORAL = Oral Abstract Session

All times are in Central Time (CT). • Sessions are listed under primary track only.

Sessions by Primary Track	7:30 AM	8:00 AM	9:00 AM	10:00 AM	11:00 AM
Special Sessions		▶LIVE Highlights of the Day I Hall D1		▶LIVE CSS: Special Clinical Science Symposium II Hall D1	
Breast Cancer		▶LIVE CSS: Bernard Fisher Breast Cancer Hall B1		ED: Tailoring Management for Invasive Lobular Carcinoma E450b	▶LIVE Metastatic
Care Delivery and Quality Care					ED: End-of-the Globe: Medical E350
Central Nervous System Tumors		ED: Radiation Necrosis: Diagnostic and Management Strategies and Challenges E350		ED: Caring for the Whole Patient: Integrative Medicine in Central Nervous System Malignancies E350

ASCO/ASPO Joint Coming Tsunami of Cancer S100a		POSTERS: Prevention, Risk Reduction, and Genetics Hall A – Posters and Exhibits			ED: The Exposome, Cancer Risk, and Cancer Care: Understanding the Environmental Impact on Malignancy S403
PANEL: Controversies Differentiated/ S504		POSTERS: Sarcoma Hall A – Posters and Exhibits			
Symptom Science and Palliative Care S100bc					

Tuesday, June 2

CSS = Clinical Science Symposium ED = Education Session ORAL = Oral Abstract Session

Schedule as of Feb. 12, 2026.

All times are in Central Time (CT). • Sessions are listed under primary track only. For the most up-to-date session schedule: Download/use the ASCO Meetings mobile app or visit asco.org/am-program.

Sessions by Primary Track	8:00 AM	9:00 AM	10:00 AM	11:00 AM	12:00 PM
Special Sessions	▶LIVE HIGHLIGHTS OF THE DAY: Highlights of the Day III Hall D1				
Breast Cancer	ED: Navigating Treatment Decisions in Early-Stage Hormone Receptor-Positive Breast Cancer E450a		▶LIVE ORAL: Breast Cancer—Metastatic Hall D1		
Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology			RAPID ORAL: Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology E451	ED: Expanding Synthetic Lethality Strategies Beyond PARP E451	
Gastrointestinal Cancer—Colorectal and Anal	▶LIVE RAPID ORAL: Gastrointestinal Cancer—Colorectal and Anal S100bc		ED: Immunotherapy in Early-Stage Colorectal Cancer: Paradigm Shift in Cure and Nonoperative Management S102		
Hematologic Malignancies	▶LIVE ED: Selecting Optimal Therapies for Chronic Lymphocytic Leukemia Across the Disease Spectrum: Worldwide Perspectives S100a		▶LIVE ORAL: Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allotransplant S100a		
Prevention, Risk Reduction, and Genetics	ED: Global Cancer Prevention: Current Approaches and Future Directions S102		▶LIVE ORAL: Prevention, Risk Reduction, and Genetics S100bc		

ASCO VOICES

ASCO Voices features lightning talks on topics that offer a break from the science and enrich your Annual Meeting experience by inspiring new ideas, broadening your perspectives, and transforming the way you approach patient care. Be sure to attend this session on **Friday, May 29 at 1:00 PM (CT)**.

Boluwatife Aofolaju

"Healing Beyond the Scan"

Megan-Claire Chase

"When Representation Becomes Survival: Changing My Perspective on Clinical Trials"

Onyinye Balogun, MD

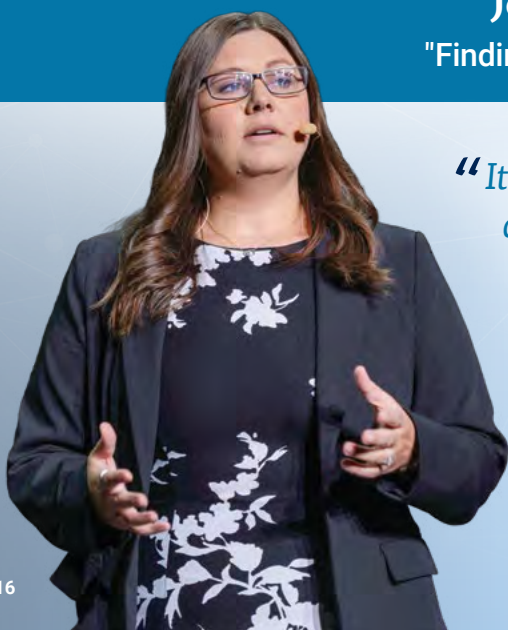

"Borrowed Courage: How Others' Faith Sparks Our Boldest Moves"

Amitabh Ray, MD, DNB

"The Bridge of Beams: Connecting the Divide in Cancer Care"

Jenna Benn Shersher

"Finding Your Voice Through Illness"

"It's the translational layer that puts a face and story to the dots on the graphs we all see throughout the weekend. ASCO Voices recenters the data and science around the stories and individuals these advancements are for."

– **Katie Coleman, BA**
2025 ASCO Voices Speaker

Opening Session Guest Speakers

This year's Opening Session guest speakers, Dr. Julio Frenk and Dr. Felicia Knaul, will highlight the Presidential theme of *The Science and Practice of Translation: Improving Cancer Outcomes Worldwide*. The Opening Session will also feature the President's Address, NCI Director's Address, David Karnofsky Science of Oncology Award Lecture, and recognition of award recipients and top donors.

Sessions that Strengthen

Don't miss sessions offering opportunities to expand professional skills, strengthen relationships, and maximize collaboration to achieve better outcomes in oncology.

- Leadership Rx: Prescriptions for Effective Teams
- What Matters Most to Patients: Reframing Clinical Trial Endpoints
- From Passion to Persistence: Nurturing Idealistic Roots to Extinguish Burnout
- Navigating a Successful Career in Academic Oncology: Strategies Throughout Your Many Chapters
- Communication in Late-stage Cancer: Discussing Prognosis and Matching Care to Patients' Goals Workshop
- JCO Workshop: The Ins and Outs of Medical Publishing – From Preparing your Manuscript to Peer Review
- Oncology Division Chiefs' and Department Chairs' Breakfast
- Training Program Directors' Breakfast

ASCO Meetings App: The Place to Be Before, During, and After #ASCO26

The App is free and available for Apple and Android users. Download it to access three phases of meeting support:

- **Before:** Build Your Agenda. Easily craft your customized schedule and sync sessions to your personal calendar, so you don't miss a session!
- **During:** Engage & Interact. Submit questions to speakers, participate in live polling, watch livestream/on-demand content, and claim CME/MOC credits.
- **After:** Access Resources. Instantly view abstracts, review session transcripts, download slides, and submit valuable meeting feedback.

CONTINUING EDUCATION

2026 ASCO Annual Meeting sessions have been approved for *AMA PRA Category 1 Credits™*.

MAINTENANCE OF CERTIFICATION

Diplomates can earn MOC points for demonstrating learning and engagement at the ASCO Annual Meeting. For more information on CE and types of MOC offered, visit am.asco.org/continuing-education.

ASCO Daily News Podcast

The *ASCO Daily News Podcast* connects you with top science before, during, and after the Annual Meeting:

- The Preview Podcast highlights key abstracts being presented.
- The Daily Podcast, released at 5 PM (ET) daily during the meeting, provides curated, expert analyses of the day's top science.
- Wrap-Up podcasts feature in-depth analysis with key opinion leaders on how the science will impact practice.

Subscribe to Apple Podcasts or Spotify for this exclusive coverage.

THE PLACE TO BE

On-Site Services and Accommodations at McCormick Place:

ASCO is committed to ensuring every attendee has the accommodations they need to make the most of their time at #ASCO26.

- **Family-Friendly Services:** Caregivers and children are welcome to attend; please register them onsite.
- **FREE On-Site Childcare:** Complimentary childcare for children ages 6 months to 16 years is available on a first-come, first-served basis. Check availability at am.asco.org.
- **Mobility Rentals:** Scooters and wheelchairs are available for rent at McCormick Place. Reserve yours today at am.asco.org.
- **Nursing Mothers:** Dedicated nursing rooms (N227a) feature a refrigerator and storage. You can also find three Mamava nursing stations located throughout the venue.
- **Prayer/Quiet Room:** A dedicated, nondenominational quiet room is located behind ASCO Central.
- **Dietary Needs:** We offer a variety of options, including Vegetarian, Vegan, Nut Free, Soy Free, Gluten Free, and Halal meals. A location guide for these options will be available closer to the meeting.
- **Shuttle Assistance:** Wheelchair-accessible vehicle reservations are available. Details on how to request a reservation will be posted on am.asco.org closer to the meeting.
- **Multilingual Interpreters:** A dedicated team of people will be located at ASCO Central to help anyone in various languages.
- **First Aid:** An onsite service is available to provide basic first aid assistance to attendees.
- For information about the venue's facilities and ADA Accessibility, visit mccormickplace.com.

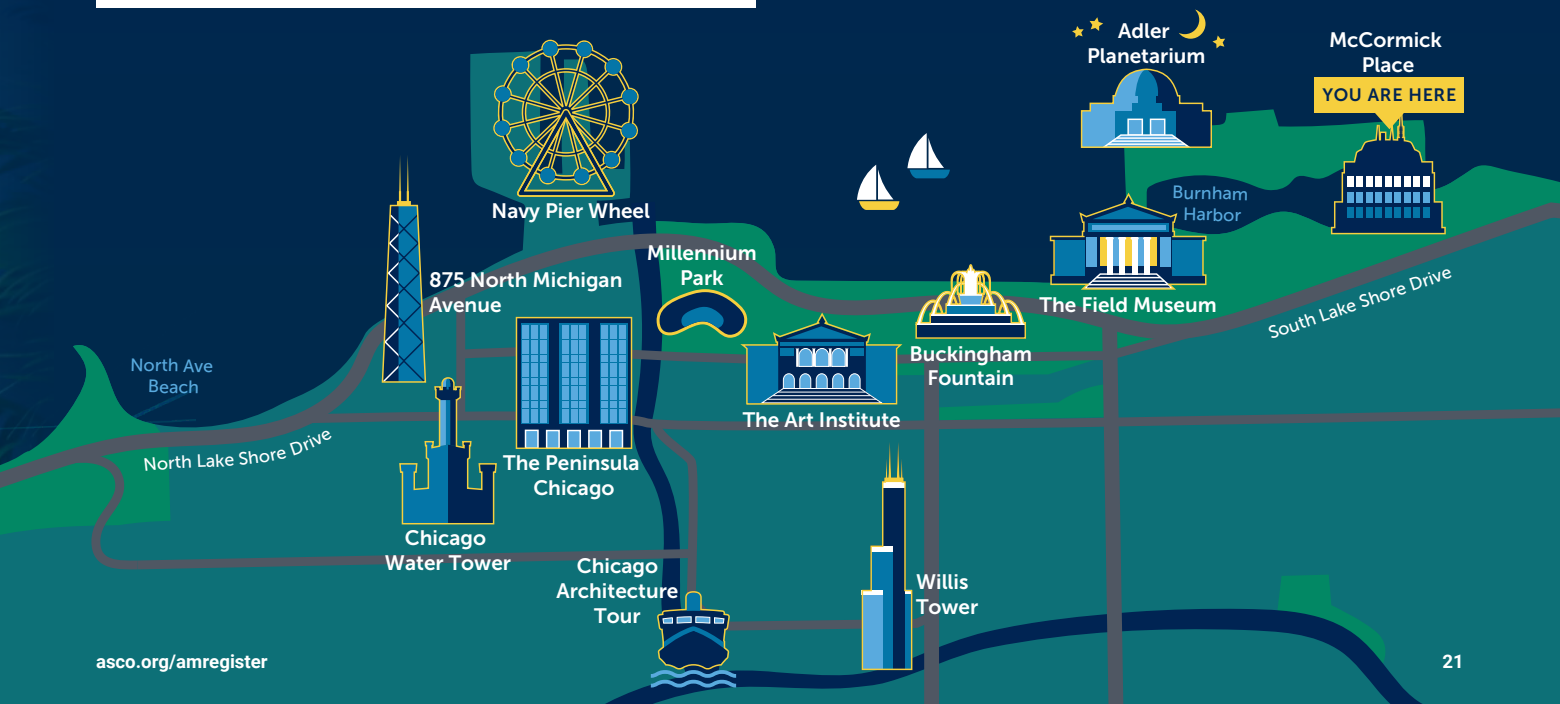

WELCOMED

Transportation Options:

- **Complimentary Hotel Shuttle:** Enjoy **FREE** shuttle service to/from all official ASCO hotels and McCormick Place, except those within walking distance.
- **Airport Shuttle:** A dedicated shuttle to O'Hare International Airport from McCormick Place is available. Tickets will be available for purchase onsite.
- **Local Rail Access (Metra and CTA):** The Metra station is in McCormick Place, with **FREE** Metra tickets available for attendees with unlimited rides between the venue and Randolph Street Millennium Station. You can also utilize the CTA ("L" light rail) system.
- **Taxi and Ridesharing:** Designated, easy-to-find pickup and drop-off locations are provided throughout McCormick Place.
- **Bike Sharing (Divvy):** For those who prefer an active commute, Divvy bike stations are available near McCormick Place.
- **Parking:** McCormick Place has three parking lots available for attendees.
