## QCP 2025 Standards Implementation FAQ

### 1. When do the new 2025 QCP Standards take effect?

- **To survey on the 2020 Standards (Transition Period):** Applicants must submit all pre-survey documents (policy uploads) **by January 15, 2026**. These applicants must agree to be surveyed by May 30, 2026.
- **2025 Standards Implementation:** All applicants submitting pre-survey documents **after January 15, 2026**, will be surveyed on the new 2025 QCP Standards. Surveys for the new standards will begin in February 2026.

### 2. What resources are available to help me understand the new 2025 QCP Standards?

We offer comprehensive resources [on our website](#):

- **QCP Standards Manual (2025 Version):** Provides detailed information and interpretation of all 25 QCP Standards, along with suggested resources.
- **Webinars:** Access both pre-recorded and live sessions with two options:
  1. **Full Standards Review:** Covers all QCP Standards and site survey preparation.
  2. **2025 Standards Highlights:** Focuses on significant standards updates (ideal for those familiar with existing standards).

*Note: Attending one of these webinars (live or recorded) is required for all new and re-certifying applicants.*

### 3. Is there a document available comparing the 2020 and 2025 Standards?

Yes, a Standards Crosswalk tool comparing the 2020 and 2025 Standards is available on [our website](#).

### 4. Who should I contact if I have questions about the new Standards?

Please contact our QCP Helpdesk at [qopicertification@asco.org](mailto:qopicertification@asco.org) for any questions regarding the new QCP Standards.
