

2025 State Legislative Session Calendar

All 50 states and Washington, D.C. will convene in 2025. New Jersey and Virginia are the only states entering the second year of their biennia and the only states with legislation carrying over from 2024 to the 2025 session; all other states will be in their first year. While each state has a predetermined start date, adjournment dates may be flexible and depend on how quickly lawmakers get through their agenda.
