## Freedom To Choose

Finding the right eye care provider is important to your eye health and overall wellness. We put our members first—through our partnership with VSP, you have the freedom to choose any VSP network doctor or a participating retail chain. You can also choose to see an out-of-network doctor, but you'll maximize your benefit when you see an in-network doctor.

### GET THE BEST CARE AT THE BEST VALUE

When seeing an in-network doctor, you'll enjoy exceptional service and savings. Plus, most in-network doctors offer evening and weekend hours. This will maximize your benefits, including a WellVision Exam<sup>®</sup> and other services to ensure the health of your eyes.

As a member, you have access to a wide selection of quality eyewear with options to suit a variety of styles and budgets.

### IT'S EASY TO USE

Using your vision coverage is simple and convenient. To get started, simply:

- Register at [vsp.com](http://vsp.com) to review your plan coverage.
- Find an in-network doctor who's right for you at [MyRenProviders.com](http://MyRenProviders.com).
- At your appointment, tell them you have Renaissance Vision, administered by VSP — there's no ID card necessary. VSP will handle the rest — there are no claim forms to complete when you see a VSP in-network doctor.

### UNDERSTANDING OUT-OF-NETWORK

Though you have the freedom to choose any provider, you'll get the most out of your benefits with a VSP in-network doctor. If you choose to see an out-of-network doctor, you'll need to submit a claim and an itemized receipt for reimbursement.
