

Find Your **Participating Dentist**

The Renaissance PPO network combines leading national and regional networks to offer you maximum choice and value. You can receive dental services from any licensed dentist. However, your benefit dollars may stretch even further if services are obtained from a participating PPO network dentist.

It's Easy To Find A Dentist In Our Nationwide Network!

Before your first appointment, visit MyRenProviders.com or contact your preferred dental office and reference the following network partners that a dental office will likely recognize for their participation. If the office confirms their participation in one of the networks below, your dentist is in our nationwide PPO network:

NATIONAL NETWORK PARTNERS

(Includes: Carington, Connection Dental, DenteMax and Maverest)

REGIONAL NETWORK PARTNERS

(Network Participation Varies By Coverage Type And Plan)

Your First Dental Appointment

The instructions below will help to ensure you have a seamless experience when using your dental benefits.

-  Visit MyRenProviders.com and search for a nearby dentist in our nationwide network.
-  Bring your ID Card to your first visit so the dental office can process your information accurately.
-  Visit MyRenBenefitsManager.com to securely review and manage your coverage.
