

**How To File
A Claim With
*RenSecureHealth***

Skip the paperwork and file a claim in minutes via mobile app or web portal.

It's Easy To File A Claim In Four Simple Steps—

1. **Log in** to the web portal or mobile app and start a new claim.
2. **Tell us what happened** by answering a few questions
3. **Upload 2-4 photos or documents** that support your claim
4. **Choose a payout method**—PayPal, Venmo, or direct deposit

For Quick Claims Approval, Don't Forget To Include—

- Your name
- Your provider's name
- The date of your service
- Your diagnosis, either a written description or ICD-10 code

Pro Tip! Your RenSecureHealth Coverage Is Based On The Condition You've Been Diagnosed With. Here Are Some Examples Of Claim Documents—

- Physician notes
- After visit summary note
- Surgery operative notes
- Hospital discharge paperwork
- HCFA 1500 forms
- UB04 Facility forms
- Physician electronic claim forms
- Super bills with ICD codes
