

Dental Plan Features:

Vanishing Deductible

Because overall health is connected to your oral health, we want to reward you and your family for maintaining good oral health each year. Our vanishing deductible dental plan provision is another great way to save money while maintaining a healthier lifestyle by encouraging you to preserve the coverage you need.

How it Works:

Each person on your plan has their own deductible.

- When you get a preventive dental service (like a cleaning or exam), your deductible for the next year is reduced by \$25
- Keep up with preventive care each year, and your deductible can be reduced all the way to \$0

Example: Toni's Family

Toni, her husband, and their two kids are enrolled in a Renaissance dental plan with a **Vanishing Deductible**.

Year 1 → Year 2

- Each family member starts with a \$50 deductible
- Everyone gets their preventive care
- Their deductibles are reduced for the next year

	Year 1 Deductible:	Year 2 Deductible:
Employee	\$50	\$25
Spouse	\$50	\$25
Child One	\$50	\$25
Child Two	\$50	\$25

Year 1 → Year 2

- Toni and the kids continue getting preventive care
- Her husband is the only one who does not

What Happen's Next:

- Toni and the kids' deductibles **drop to \$0**
- Her husband's deductible **resets to \$50**

	Year 2 Deductible:	Year 3 Deductible:
Employee	\$25	\$0
Spouse	\$25	\$50
Child One	\$25	\$0
Child Two	\$25	\$0
