BENEFITS

Start Fresh With An Orthodontic Reset

Switching dental carriers shouldn't throw a wrench in your clients' orthodontic plans. With our Orthodontic Maximum Reset, members unlock a fresh orthodontic maximum, regardless of what they used with a previous carrier. That means treatment stays on track, care keeps moving forward, and no one has to pump the brakes on their smile.

How it Works:

When a group employer switches dental carriers to Renaissance, members will receive the benefits of a fresh start with a New Orthodontic Maximum.*

If a new orthodontia claim is submitted the full maximum is available and coverage is processed normally - if they had orthodontic treatment in the past through a different dental carrier.

If orthodontia treatment is in process, the plan will pay either the remaining treatment months or the remaining maximum, whichever comes first.

The Orthodontic Reset helps ensure members get the coverage they need, regardless of the coverage they have received from a previous carrier.

Example Savings:

Let's say Renaissance receives an orthodontia in process claim with 5 months of remaining payments:

▪ **Total bill of \$6,000** ▪ **Initial fee (30%) \$1,800** ▪ **Balance of \$4,200**

We will process the claim as a standard orthodontia claim and consider the remaining **5 months** of payments. The balance (**\$4,200**) is divided by the total treatment months (25) for a monthly fee:

\$4,200 ÷ 25 = \$168

The plan then pays its percentage of the claim each month:

Monthly Fee		Orthodontic Plan Coverage(50%)		Renaissance Payment/Month		Remaining Months		Renaissance Payment
\$168	X	0.5	=	\$84	X	5	=	\$420

Renaissance Dental Plans:

- 1 Customizable options to fit the needs of your clients
- 2 Combined national and regional network with over 450,000 dental access points*
- 3 Enhanced coverage for individuals with certain high-risk medical conditions
- 4 Ability to bundle with vision, life, and disability plans for a more complete solution

The best part? Because of the Orthodontic Reset, the member still has \$1,080 available from the \$1,500 lifetime maximum if additional orthodontic treatment is needed!
