Virtual Reality and Pixel

Both located in a separate venue, on the Entertainment Quarter Ground Floor,
across from El Camino

Virtual Reality

Death Squad

Work together to defeat each zombie wave, as they increase in difficulty.

The more kills, the more money you have to unlock new guns and areas of the map!

Kitchen Panic

Work as a team in a busy kitchen in Paris to get out all burger and salad orders out on time.

Cut, cook, assemble and plate before the customers get angry!

CyberClash

Choose between playing in 2 teams, or 1v1. Explore the map, hunting down your enemies.

Use a variety of weapons to come out on top with the most kills!

Party Playland

Play with up to 5 players in a Mario-style playground with mini games that are fast and chaotic.

Outplay your friends to collect points at the end of each round.

Pixel

Pixel

You have 30 seconds to collect all blue tiles, avoid red tiles and ALL return back to the green zone. The levels get increasingly difficult, and red tiles start to move around the floor, making it extra hard!

Switch

Memorise the colour that flashes on the floor, and race to land on a square lit up that same colour.

Memory

The team will be briefly shown a tile pattern. Try to reproduce the pattern without 5 mistakes!

Labyrinth

Explore a maze with limited vision, collect the blue tiles and then return to the green area.

Pixel-Man

Collect the blue tiles while avoiding the static red ones and survive the white tiles chasing you.
