THE POOL THAT TRANSFORMED SWIMMING.

Over 35 years ago, the EP-Series pools launched a revolution in at-home aquatic fitness. Powered by our Hydrodrive™ Technology, these pools deliver a smooth, adjustable current—perfect for lap-style swimming, full-body workouts, and year-round fun. Compact, convenient, and cost-effective, EP-Series pools offer unmatched versatility and value, making them a smart alternative to traditional pools.

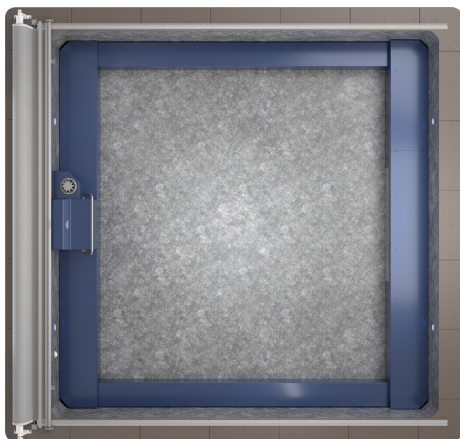

Hydrodrive™ Technology Adds Power, Versatility and Fun

POWERING PREMIER AT-HOME FITNESS AND SWIMMING.

Nothing compares to the smooth, powerful and adjustable currents from Endless Pools. Our exclusive current technology is available in three levels – Hydrodrive, Hydrodrive Plus and Hydrodrive Pro – to suit your need and skill level for swimming, low-impact exercise, resistance training, therapy and fun.
