

i-Ready Diagnostic **Scores** Crosswalks

2024–2025 School Year

i-Ready Diagnostic Scores

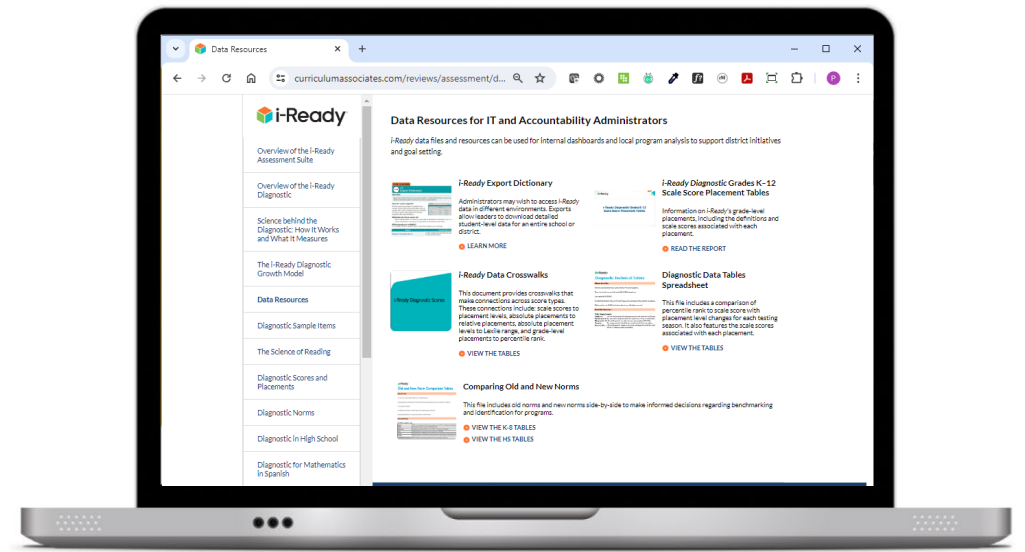

Crosswalks

About These Crosswalks

This document contains a number of the more commonly used graphical crosswalks between various Diagnostic scores. They can be used to answer questions such as, “What are the percentile ranks of *i-Ready*’s grade-level placements?”

For More Information

For additional resources on *i-Ready* Assessment data, including score placement tables and spreadsheets for use with student information systems, visit *i-Ready*’s [Data Resources for IT and Accountability Administrators page](#).

¹ In Grade 1, a Quantile of 305Q is associated with both the highest obtainable score for Early On Grade Level (412) and the lowest obtainable score for Mid or Above Grade Level. Whenever possible we recommend the use of i-Ready scale scores to determine placements, although when needed a Quantile of 310Q should be used to indicate being minimally at Mid or Above Grade Level.
