

Summer Learning with *i-Ready*

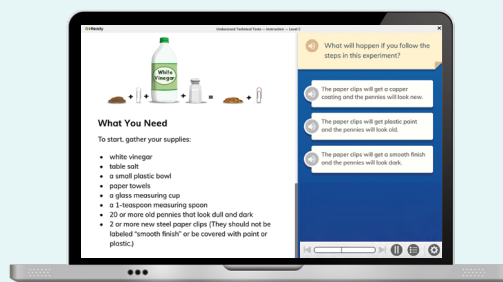

Many Needs, One Comprehensive Program

We understand that summer learning needs are unique. Whether your summer learning plans include addressing instructional priorities, reinforcing grade-level concepts, or extending your current school year, *i-Ready* provides instructional tools to support in-person and at-home summer learning programs.

✓ Leverage Your Data

- **Actionable Data for Efficient Planning**
Use in-depth reports to understand whole class, small group, or individual students' needs to make the most of your instructional time.
- **Scaffolds for Grade-Level Success**
Reports and guidance help teachers address instructional priorities, strengthen critical prerequisite skills, and cover grade-level concepts.

✓ Personalize Instruction

- **Works Anywhere**
i-Ready Personalized Instruction helps students build skills regardless of “place”—*i-Ready* works at home, at school, and at any hour.
- **Student-Owned Learning**
i-Ready allows students to continue learning through explicit instruction and engaging games, even when a teacher can't be present.

✓ Balance Screen Time

- **Support with Print Components**
Book-based instruction and printable resources ensure every student has access to content in any setting.
- **Accessible Rigor**
Teaching tips and support in every lesson help educators with diverse levels of teaching experience deliver rigorous instruction and differentiate with ease.

Ideas for Leveraging *i-Ready* Resources in Your Summer Learning Plans

We know that everyone is in a different place, and there is no “one-size-fits-all” as districts navigate implementing summer learning. No matter the structure of your summer program, *i-Ready* has versatile resources to fit your instructional needs.

Implementation Ideas

Allow students to work independently on additional instruction and practice

- Students work on their *i-Ready* personalized lessons and Learning Games for 30–49 minutes per subject per week.
- Families and/or educators support students as they track their own progress.
- Educators monitor usage and track and recognize progress throughout the summer, culminating in a larger celebration.

Provide students the critical instruction to get them ready for the next grade level

- Teachers provide direct instruction on select prioritized skills using Tools for Instruction, resources from the Teacher Toolbox, and/or their core math program.*
- Students work on their *i-Ready* lessons, either as informed by their personalized pathway or manually and strategically assigned based on a prescribed scope and sequence.

Boost foundational reading skills in striving learners

- Teachers or paraprofessionals provide explicit phonics instruction daily following the routine-based *Phonics for Reading*™ program.
- Students work on their *i-Ready* personalized lessons based on their unique needs informed by the Diagnostic.

Activities Students Can Do Independently (Grades K–8):

- ***i-Ready Online Lessons***: Lessons that provide engaging, explicit instruction and practice that is just right for each student and proven to build their skills for grade-level success
- ***Learning Games***: Interactive games that deliver fun, engaging math fluency practice
- ***Practice Packets*****: Self-directed exercises and practice to reinforce the key concepts of each grade
- ***Develop Session Videos******: Assignable videos to help students continue their learning of mathematics

Supports for Teacher-Led Instruction (Grades K–8):

- ***Curriculum and Pacing Guidance***: Lists of priority skills to cover for each grade and suggested scope and sequence to help plan instruction in the summer
- ***Tools for Instruction and Tools for Scaffolding Comprehension*†**: Actionable, in-the-moment lesson plans that address challenging skills and standards
- ***Teacher Toolbox*,†† *i-Ready Classroom Mathematics*, and *Ready***: Targeted multimedia resources for focused instruction in Reading, Mathematics, and Writing (Grades 2–5), available digitally and in print
- ***Phonics for Reading*†† (Grades 3–12)**: A research-based reading intervention program that provides explicit phonics instruction to older students who haven’t yet mastered decoding
