**C. Passage Reading Fluency****How to Name a Dog**

13 Neela had wanted a dog for a long time, and now her mother
26 had finally said yes. Neela and Mom went to a dog shelter in
38 town, and Neela became the proud owner of a sweet and gentle
51 dog. He had brown fur and white paws and looked like he had
white socks on!

54 Neela did not want to name her dog right away because she
66 wanted to get to know him first. Neela **watched** him closely to
78 see how he acted. When she filled his bowl with food, he looked
91 at her as if to say thank you. Then he ate every bit of food. He
107 was a happy dog and never growled or howled. He adored Neela
119 and followed her everywhere.

123 Neela made a list, and each day she added a name. These
135 were the names she listed: Socks, Chow, Buddy, and Lucky.
145 Then on the fifth day, Neela chose the name Shadow because
156 the dog stayed by her side all the time.
