

California District Makes Significant Strides in Mathematics Proficiency Partnering with Curriculum Associates

Lodi USD Sees 26-Percent Gains with *i-Ready Classroom Mathematics*' Proven, Data-Backed Insights into Each Student's Needs

Lodi USD serves a diverse community rooted in a legacy of hard work and cooperation. Covering more than 350 square miles and educating nearly 27,000 students across Lodi, Stockton, and neighboring areas, the district thrives in a region that embodies growth and resilience.

Lodi USD's unwavering commitment to cultivating academic success led the district to join forces with their Curriculum Associates team every step of the way to implement *i-Ready Classroom Mathematics*' student-centered, high-impact core mathematics curriculum.

With a record of success in schools across California, *i-Ready Classroom Mathematics*' results have been especially impressive in Lodi USD. **Within one school year, the number of Grades K–8 students performing at Mid or Above Grade Level increased from 651 students in fall 2023 to 3,570 students in spring 2024.**

“Lodi USD chose *i-Ready Classroom Mathematics* for its rigorous, standards-aligned curriculum and access to computer-adaptive online supports. The resources provided allow our students to access personalized learning.”
 —Rafael Ceja, Ed.D., Director of Education

Lodi Unified School District (USD), California

Grades Pre-K–12 Breakdown
7,400+ Students¹

Success is the result of thoughtful planning, instructional excellence, and the use of actionable insights.

Lodi USD works hand in hand with their Curriculum Associates Partner Success and Professional Learning (PL) partners to promote a culture of deep mathematics learning.

The collaboration includes tailored PL plans, a cadence of weekly implementation check-ins, active engagement in PL opportunities, and ongoing data review meetings to analyze proficiency trends.

Educators have a network of support and are equipped to effectively respond to each student’s instructional needs with *i-Ready Classroom Mathematics’* embedded teaching tools.

Resources like the *i-Ready* Grade–Level Planning (Prerequisites) report provide clear insight into student performance levels even before a lesson begins.

Strategies such as Select and Sequence guide student responses from concrete to abstract, building flexibility and confidence in problem solving, while Math Center Activities, Interactive Tutorials, and Exit Tickets continually reinforce mathematical concepts in each lesson.

Real-time, domain-specific assessment results with the integrated *i-Ready* online assessment further ensure students receive scaffolded support based on areas of strength and need.

“Our partnership with the *i-Ready* consultant team for cycles of co-planning and coaching has been a wonderful experience for both my teachers and me as an administrator.”

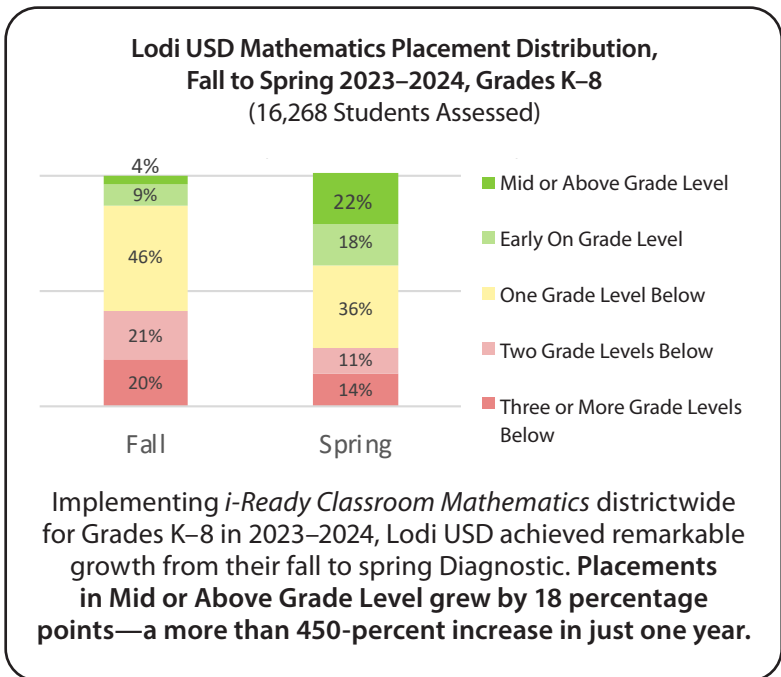

—Joe Ward, Principal, Westwood Elementary

Lodi USD leaders, educators, and their Curriculum Associates Partner Success team continuously monitor student placement, progress, and growth, helping students remain on a path to grade-level proficiency and beyond.

Rafael Ceja, Lodi USD director of education, underscores the impact of this strong partnership: “Partnering with Curriculum Associates to provide ongoing professional [learning] ensures our teachers are fully equipped to drive student growth and success.”

Lodi USD makes an ongoing commitment to engaging students with rigorous mathematics content.

Determined to sustain their momentum—with results like students in Grade 3 increasing from 28 percent proficient in 2021 to 37 percent proficient in 2024, an incredible 32% gain¹—Lodi USD has committed to their Curriculum Associates partnership through the 2029–2030 school year.

Perfect Scores for Grades K–8
