

Independent Practice Activities

Independent Practice Activities are intended for students to complete on their own to apply what they have learned. Preview activity directions before students begin. Provide students with a key after they complete the activities for self-checking.

Make one copy of the **Independent Practice** student pages for each student.

Build Word Families

Have students build word families using the words listed as starting points. Letters and letter combinations that students have previously learned are provided.

Word Sort

Have students sort the words by pattern, using the guide word provided for each pattern.
