Zain’s Bright Night

10 Zain played with his pals after school in the sun’s
19 bright light. When the daylight went away, Zain went
32 in. It was a weeknight, so Zain had to do some work for
school the next day.

36 At ten, Zain went to bed. Then at midnight, there
46 was a lot of rain that hit the windows. Zain sat right up
59 in bed and saw lightning. The lightning might frighten
68 some kids, but it did not frighten Zain. He felt that the
80 lightning worked as a big flashlight. It lit up the night as
92 bright as day.

95 Zain saw the rain come down. He saw the wet trees
106 bend low in the wind. If it kept on raining, Zain might
118 need his raincoat the next day. If there was lots of rain, he
131 might need a rowboat just to get to school!
