## Updates to Literacy Task Forms in Spanish

Revisions made for the following passages:

### Spanish Cut Score Revisions

The Spanish Literacy Tasks performance cut scores are currently being reviewed and adjusted for the 26–27 school year. These cut scores only apply to tasks completed in the 2026–2027 academic year forward. Tasks completed in the 25–26 academic year will continue to use the 2025–2026 cut scores. Cut scores have been updated for:

- Letter Sound Fluency (LSF): Raised cuts to mirror 1:1 to English LSF cut scores
- Phonological Awareness: Adjusted perfection threshold to account for standard error of measurement in PA Syllables, PA Blending, PA Segmentation, and PA Manipulation.

***We recommend reprinting the teacher forms for the tasks listed above.***
