

Intervention Planning Support: Instructional Groupings Report Resources for Reading—Grade 7

Curriculum Associates Intervention Brief | March 2026

Guidance Overview

The *i-Ready* Instructional Groupings report groups students with similar instructional priorities, provides recommendations for teacher-led instruction, and identifies resources to support differentiated instruction by domain. This document is designed to support educators with matching related *i-Ready Personalized Instruction* lessons to the Tools for Instruction (TFIs) resources identified in the Instructional Groupings report to support intervention and monitor student progress for Grade 7.

For specific implementation guidance and additional grade levels, see [Intervention Planning Support: Instructional Groupings Report Resources for Reading](#).

Using Instructional Groupings Report and *i-Ready* Resources to Support Intervention

IMPORTANT CONSIDERATIONS

- **Targeted support with off-grade skills should not supersede or replace grade-level core instruction** and should be layered on in small group instruction as needed to complement and accelerate students' access to grade-level content.
- **It is not intended for educators to use all resources identified in this document** and/or for all students. Rather, educators are encouraged to view this document as a menu of options to choose from strategically based on students' needs.

Instructional Groupings Resources: Phonics Domain

Educators may reference the [Instructional Groupings Report for Reading](#) to select [Tools for Instruction](#) lesson(s) to provide explicit, targeted, or supplemental instruction at the students' placement level in small groups. Educators may then use the tables below to find Personalized Instruction lessons that can be teacher assigned to provide opportunities to practice or monitor student progress with the skill taught in the matched TFI. For instructions on assigning Personalized Instruction, reference [How do I add Teacher-Assigned Lessons?](#)
