

i-Ready Assessment of Spanish Reading

(i-Ready Evaluación de lectura en español)

The *i-Ready Assessment of Spanish Reading (i-Ready Evaluación de lectura en español)* assists educators in understanding grade-level reading performance of students receiving instruction in Spanish or Spanish-speaking English Learners. This is done through an authentic approach composed of engaging content and built on a familiar interface for students and educators. This assessment is included with the *i-Ready Diagnostic for Reading* at no additional charge and is built for students in Grades 7 and 8.

Understanding a student's reading performance in Spanish is critical to ensuring their academic success. The *i-Ready Assessment of Spanish Reading* was designed to do just this by providing educators with an easy-to-administer assessment that provides the right insights into how to help students achieve grade-level success.

- **Developed by native Spanish speakers.** The *i-Ready Assessment of Spanish Reading* was developed from the ground up by assessment experts specializing in Spanish reading skills and standards in Grades 7 and 8.

- **Developed for a variety of learners.** The *i-Ready Assessment of Spanish Reading* can be used to support Spanish-speaking English Learners and Spanish Learners.

- **An assessment with authentic content.** All reading passages represent the varied cultural backgrounds and experiences of Spanish-speaking students.
- **Familiar interface.** All components of the *i-Ready Assessment of Spanish Reading* are available in the *i-Ready Connect™* system. The assessment is fixed form (i.e., non-adaptive) and administered digitally to students, and scores are available through a class report.
- **Included at no additional charge** with your *i-Ready Diagnostic for Reading* license

TERCER ACTO

¿Por qué es importante el festival multicultural de la escuela en el desarrollo de la historia?

- Porque gracias a él Aayush obtiene excelentes calificaciones en una materia.
- Porque es lo que motiva a Aayush a cocinar un platillo especial y así resolver su conflicto.
- Porque gracias a él Aayush puede convivir y aprender a cocinar con su mejor amigo.
- Porque es lo que hace que Aayush piense que está listo para abrir su propio restaurante.

14 [Días después, en la cocina de su casa, Aayush peía unas papas. Su amigo Adam está a su lado combinando especias en un tazón. La Sra. Roshni supervisa el trabajo de ambos].
