The School Flag

Fran's class has a plan for a school flag. The flag will stand for the kids at the school. The class gets a big block of fabric for the flag. If they cut and snip bits of cloth, they can plan which bits to put on the flag. Ed thinks the flag can have a cloth sun on it. Loc thinks the flag can have a cloth bus.

Then Val has a plan. The kids can set hands on an ink pad and then they can stamp handprints on the cloth flag. The kids grin and clap for Val's plan. It is the best. The kids in the class work to get the flag set. Then they put the flag on a long plastic rod. They set up the flag at the school steps. People will see that the flag stands for the kids at the school.
