**C. Passage Reading Fluency**

**Dad's Meals**

13 Dad liked to fix meals at home. He made **new** foods and got  
16 lots of joy from it. The problem was that Mom and Jed did not  
27 get lots of joy from eating some of those new foods. One night,  
40 Dad broiled chicken livers on foil under high heat. The livers  
51 were dry, not moist. Mom and Jed did not say a thing. They just  
65 ate and thanked Dad.

69 Another night, Dad served raw oysters. They were like slime.  
79 They smelled like the sea, so Jed had to pinch his nose to eat  
93 them.

94 Mom and Jed did not want to spoil Dad's joy. So they could  
107 not avoid his new foods. Then one night Dad served a soybean  
119 loaf, sort of like a meatloaf. It was not a disappointment at all.  
132 It was a perfect meal! Maybe Mom and Jed would enjoy Dad's  
144 meals from this point on.
