# A Track Record of Success

To help students thrive, teachers need high-quality instructional materials that make an impact. Our programs are designed, tested, and refined to maximize student success.

With top ratings and proven results from third parties, we are proud to partner with schools and districts across the country to make classrooms better places for teachers and students.

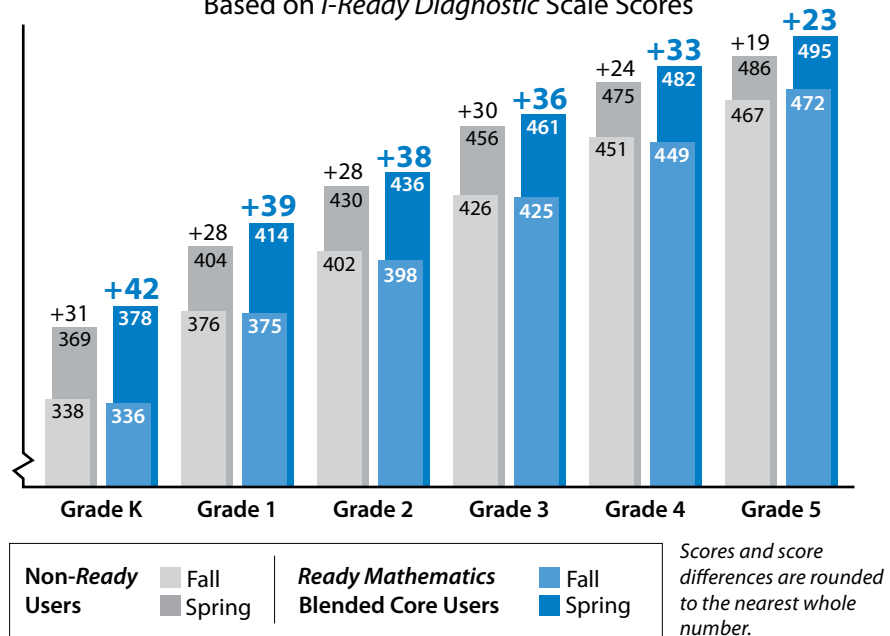

Third-party research conducted in three states, with 32 schools and 21,000 students, provides evidence of *Ready Mathematics*' success.
