68 boring, so he kept thinking. At last, he had it! He was a
81 swimmer, and swimming was the sport he liked best. That
91 would be his topic.

95 The next morning, Jordan gave his speech. His hands
104 were shaking, but he kept going. These are some things
114 he said: "Swimming makes me feel so free! I started
124 swimming when I was five, and I will be a swimmer for
136 the rest of my life." As Jordan was speaking, his classmates
147 looked at him and nodded. They liked what he had to say.
