zz

Articulation Consonant /zzz/ (zz)

To make the sound /zzz/:

- First, open your mouth and bring your teeth together slightly.
- Then, raise the sides of your tongue to touch the inside of your top teeth.
- Next, turn on your voice and let your breath flow out of your mouth, making your tongue and teeth vibrate.
- Place your fingers on your throat and say the sound again. Do you feel your throat vibrate? (Yes.)
