

1. Cut along the dashed line.
2. Fold along the solid line.

sh

Articulation Consonant Digraph /sh/ (sh)

To make the sound /sh/:

- First, bring your teeth together.
- Next, make sure the sides of your tongue are touching the inside of your top teeth.
- Now, push your lips out to make a circle like you are going to blow out a candle.
- Place your fingers on your throat and make the sound again. Do you feel your throat vibrate? (No.)
