Ron’s Graphic Novel

12 Ron knew quite a lot about knights. And he liked to draw
13 and write. So, he planned to make a graphic novel about knights.
24 First, Ron made an outline, just writing phrases. His tale had a
36 beginning, middle, and end. Ron drew **panels**, or frames, in a
47 drawing pad. In the panels, he made quick drawings to show
58 each phase of action. The first panel showed the knight at a
70 banquet. The middle panels showed some of the knight’s kind
80 deeds. The last panel showed the knight fighting a dragon in
91 a cave.

93 When Ron had all the action planned, he finished the
103 drawings. He added speech bubbles and wrote the knight’s
112 words in each one.

116 Ron made a copy of his graphic novel for each of his **friends**.
129 They all enjoyed reading it. They enjoyed it so much they
140 requested that Ron write more about the knight.
