 66 wanted to get to know him first. Neela **watched** him closely to  
 78 see how he acted. When she filled his bowl with food, he looked  
 91 at her as if to say thank you. Then he ate every bit of food. He  
 107 was a happy dog and never growled or howled. He adored Neela  
 119 and followed her everywhere.  
 123 Neela made a list, and each day she added a name. These  
 135 were the names she listed: Socks, Chow, Buddy, and Lucky.  
 145 Then on the fifth day, Neela chose the name Shadow because  
 156 the dog stayed by her side all the time.
