

1. Cut along the dashed line.
2. Fold along the solid line.

th

Articulation Consonant Digraph /th/ (th)

To make the sound /th/:

- Open your mouth a little bit and put your tongue under the bottom edge of your top teeth.
- Squeeze the air out of your mouth between your tongue and top teeth.
- Place your fingers on your throat and say the sound again. Do you feel your throat vibrate? (No.)
