

# One Year, Big Results: District Sees Significant Literacy Growth from Grades K–4 Program Rollout

Discover how Sparta Area School District leverages data-driven literacy programs to measurably advance student achievement.

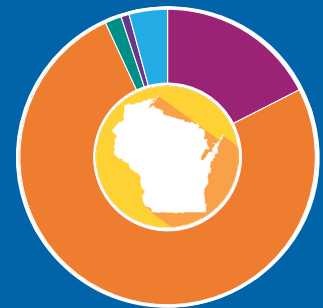

**Herrman Elementary School and Southside Early Learning Center Students Placing Mid or Above Grade Level on the *i-Ready*® Diagnostic for Reading**

Herrman Elementary School and Southside Early Learning Center saw major gains after implementing *The Literacy Portfolio* by *i-Ready* (including *Magnetic Foundations*™, *Magnetic Comprehension*™, *Phonics for Reading*®, and *Personalized Instruction*) in Grades K–4. Every grade level increased the percentage of students scoring Mid or Above Grade Level on the *i-Ready Diagnostic*, with Grade 1 alone seeing a 12x jump!

"What really set *i-Ready* apart was how it removes the guesswork from instruction. Teachers receive grouping reports that lay it all out—who needs support, how to group them, and what steps to take next. That kind of clarity and built-in guidance has made a huge difference for our team."
