### Fluency Practice – Sentence Expansion 1, 2, or 3

2. **Whisper Reading** Whisper read the first sentence to yourself. When you can read all words in the sentence, put your thumb up. *Wait until all thumbs are up.*

5. **Individual Reading** Call on a student to read a sentence while classmates touch under the words and follow along. *Have the sentences read in order.*

### Comprehension – Sentence Expansion 1, 2, or 3

6. Let's read the fourth sentence together. Begin. *Chorally read the sentence with students.*
7. Let's expand the sentence by adding a phrase that tells **when** the event occurred. The new sentence must make sense.
8. *If sentence expansion is difficult for students, model one or two examples.*
  - **Sentence Expansion 1:** While walking to school, she saw the pup run up to Gus. Before soccer practice, she saw the pup run up to Gus.
  - **Sentence Expansion 2:** During the team celebration, Nat got some gum on the little rug. Last night, Nat got some gum on the little rug.
  - **Sentence Expansion 3:** Before dinner, Liz can run up the big hill to the summit. At sunrise, Liz can run up the big hill to the summit.
9. Now it's your turn to expand the sentence. Think of a phrase that tells **when** the event could have occurred. Put your thumb up when you have created a new sentence. *Wait until all thumbs are up. Ask students to share their new sentences with their partners. Then ask several students to share their sentences. Provide feedback to students, focusing on if their sentences make sense and tell when the event occurred.*
10. *Repeat Steps 2–9 for Sentence Expansion 2 and Sentence Expansion 3.*
