**A Visit to a Meadow**

12 Carly had never seen a pheasant in real life, but she wanted  
25 to see one of those amazing birds. Today, she and Dad would go  
36 to a meadow outside their town and look for pheasants there.  
47 Carly and Dad got ready by putting on warm sweaters and  
58 leather boots. Then they headed to the meadow. In the meadow,  
69 Carly saw crows, blackbirds, and an owl. But there were no  
pheasants.

70 The day had started out with pleasant weather. But now  
80 black clouds spread high over their heads and thunder rumbled.  
90 Bad weather was a real threat, so Carly and Dad had to go before  
104 there was a heavy rainfall.

109 On the way out, Carly found a long, brown feather with black  
121 stripes. That meant pheasants did live in this meadow after all.  
132 Carly knew she and Dad would come back another time to look  
144 for the pheasants in this meadow.
