planned farmer letting swimmer trading

C. Passage Reading Fluency

Where Did Bert Go?

12 The school term had ended, and it was a perfect day for
26 a hike. Fern and her mom and dad went to a big park that
36 had the best hiking trails. Fern’s dogs, Pepper and Bert,
46 went with them. The dogs liked the park because they
58 got to run free. Pepper and Bert would run **ahead** of Fern
69 and then would come back to her. But today, Pepper came
81 back and Bert did not. Where did Bert go? He had never
92 run off. Mom, Dad, and Fern went looking for him. They
102 went up and down the trails, yelling his name. Pepper
111 followed after them because she must have missed Bert.

122 It was late in the day when they saw people camping
133 and went to speak to them. Maybe they had seen Bert.
142 The campers were eating hot dogs for dinner and
155 waved at them. Then Bert ran to Fern with a hot dog in
157 his teeth!
