**C. Passage Reading Fluency****Del's Dip**

Del is a whiz at dip. He chops up bits of radish and whips them into the dip. He adds a dash of this and that. Then Del gets a bag of chips and tests the dip. He will check that his dip is the best he can mix. It is.

Del fills up little tubs with the dip. He sets up a shack where he can sell the dip. He puts down a big dish of dip and a basket of chips.

When people go to Del's shack, he lets them test the dip with chips. People chomp and chomp. They chat with Del. They tell him they think this is the best dip. They thank Del and hand him cash for tubs of dip. Del sells the last tub of dip. Then he has to shut down the shack until he can mix up dip.
